WeGoRide - HBCU Partnership

WeGo offers local businesses, colleges, universities and organizations a discount rate to ride public transit through a program called WeGoRide. This allows students, faculty and staff unlimited free rides with the institution partnering with WeGo on managing the pilot program. This proposed program would partner with Historic Black Colleges and Universities (HBCU) to provide faculty, staff and students public transit access using American Rescue Plan (ARP) funds.

Program Requirements

Program Benefits
