“Pre-Development Expenses” has the meaning set forth in Section 4(a) below.

“Preliminary Plans” has the meaning set forth in Section 5(b)(i) below.

“Project” shall mean the design, construction, installation, equipping and furnishing of the Project Improvements.

“Project Accounts” shall mean the accounts established with Metropolitan Government or the Bond Trustee in accordance with Section 6 hereof in respect of the Authority Contribution, the State Grant and the Bristol Contribution (if any).

“Project Budget” shall mean the total project budget, as from time to time amended pursuant to the terms of this Agreement, for all costs under the Construction Agreements relating to the Project Improvements.

“Project Completion Date” shall mean the date of Completion of all of the Project Improvements Work in accordance with all of the requirements of this Agreement.

“Project Contributions” shall mean the Authority Contribution, the State Grant and the Bristol Contribution (if any).

“Project Costs” shall mean the costs of the design, development, and construction of the Project Improvements as set forth in the Project Budget.

“Project Delivery Date” shall have the meaning set forth in Section 5(e) below.

“Project Improvements” shall mean, collectively, the Speedway (including all Speedway-related furniture, fixtures and equipment and all concession improvements) and all improvements appurtenant thereto or comprising a part of any of the same (including all pre-construction infrastructure improvements) and all appurtenances and amenities relating to any of the same, all as are more fully described in the Preliminary Plans and the Final Plans.

“Project Improvements Construction Schedule” shall mean a schedule, as from time to time amended, of critical dates relating to the Project Improvements Work (which dates may be described or set forth as intervals of time from or after the completion or occurrence of the preceding task or event), which Project Improvements Construction Schedule shall contain the dates for: (a) ordering and delivering of critical delivery items, such as construction components or items requiring long lead time for purchase or manufacture, or items which by their nature affect

the basic structure or systems of the Project Improvements, (b) completion of the Final Plans in detail sufficient for satisfaction of all Applicable Laws (including issuance of necessary building permits), (c) issuance of all building permits and satisfaction of all Applicable Laws prerequisites to commencement of the Project Improvements Work, and (d) commencement and completion of the Project Improvements Work.

“**Project Improvements Work**” shall mean the design, development, construction, and furnishing of the Project Improvements in accordance with this Agreement and any demolition, site clearance and excavation work in connection therewith.

“**Project Manager**” shall mean [_____], which has been retained by, and is the advisor to, Bristol as its representative with respect to the design, development, construction, management of the Project Improvements Work and related services in connection therewith and be the project manager and direct the activities of the Design-Builder under the supervision of and per the directives of Bristol.

“**Proposed Final Plans**” has the meaning set forth in Section 5(c) below.

“**Qualified Design-Builder**” shall mean an entity that, on the date its name and qualifications are submitted to the Metropolitan Government, and at all times until Completion, shall satisfy all of the following criteria:

- (a) licensed or otherwise in compliance with all Applicable Laws to do business and act as a designer and general contractor in the State of Tennessee and Davidson County, Tennessee for the type of work proposed to be performed by such entity;
- (b) possessed of the capacity to obtain payment and performance bonds in the full amount of the pertinent Design-Build Contract from a Qualified Surety;
- (c) well experienced as a designer and general contractor in comparable work; and
- (d) neither such general entity nor its Affiliate is in default under any material obligation to the Metropolitan Government under any other contract between such contractor or its Affiliate and the Metropolitan Government.

“**Qualified Surety**” shall mean any surety which has an Alfred M. Best Company, Inc. rating of “A” or better and a financial size category of not less than “VIII” (or, if Alfred M. Best Company, Inc. no longer uses such rating system, then the equivalent or most similar ratings under the rating system then in effect, or if Alfred M. Best Company, Inc. is no longer the most widely accepted rater of the financial stability of sureties providing coverage such as that required by this Agreement, then the equivalent or most similar rating under the rating system then in effect of the most widely accepted rater of the financial stability of such insurance companies at the time).

“**Ready for Occupancy**” shall have the meaning set forth in Section 5(h).

“Reasonable and Prudent Developer” shall mean a developer of projects similar in scope, size, and complexity to the Project Improvements seeking in good faith to perform its contractual obligations and in so doing and in the general conduct of its undertakings, exercises that degree of skill, diligence, prudence, and foresight which would reasonably and ordinarily be expected from a skilled and experienced developer of facilities similar to the Project Improvements complying with all Applicable Laws and engaged in the same type of undertaking.

“Regulated Substances” shall mean any substance, material or waste, regardless of its form or nature, defined under Environmental Laws as a “hazardous substance,” “hazardous waste,” “toxic substance,” “extremely hazardous substance,” “toxic chemical,” “toxic waste,” “solid waste,” “industrial waste,” “residual waste,” “municipal waste,” “special handling waste,” “mixed waste,” “infectious waste,” “chemotherapeutic waste,” “medical waste,” “regulated substance,” “pollutant” or “contaminant” or any other substance, material or waste, regardless of its form or nature that otherwise is regulated by Environmental Laws

“Required Environmental Permits” shall mean permits, licenses, bonds, consents, programs, approvals or authorizations required under Environmental Laws for the construction of the Project Improvements, or required to operate, maintain or use the Speedway or construct, maintain, operate or use any alterations or improvements, regardless of whether such Permits are required to be or have been obtained by the Authority or Bristol.

“Response Action” shall mean the investigation, cleanup, removal, remediation, containment, control, abatement, monitoring of or any other response action to the presence of Regulated Substances or Contamination in, on, at, under or emanating from the Speedway Site, including the correction or abatement of any violation required pursuant to Environmental Laws, Required Environmental Permits or by a Governmental Authority.

“Sales Tax Revenues” shall mean revenue apportioned and distributed to the Metropolitan Government or its designee pursuant to Section 67-6-103(d)(1)(A)(vii), Tennessee Code Annotated, related to the Speedway.

“Site” means the site on which the Nashville Fairgrounds Speedway is currently located and on which the Speedway is to be constructed, in Nashville, Tennessee that is described on **Exhibit B** hereto.

“SM Guaranty” shall have the meaning set forth in Section 12.

“Speedway” shall mean a motorsport racetrack containing the requisite capacity to meet all requirements of Applicable Law for the collection of Ticket Tax Revenues, as determined in the sole discretion of the Metropolitan Director of Law or the Tennessee Attorney General, and including all appropriate amenities, signage, fixtures and other necessary and customary items, constructed in accordance with the Final Plans. The Speedway shall include all structures and areas within the Speedway footprint, including, but not limited to, grandstands, racing surface, infield and buildings. The Speedway shall be located in the Nashville Fairgrounds.

“Speedway Lease” shall have the meaning set forth in the preamble of this Agreement.

“**State Grant**” means an unconditional grant from the State of Tennessee in an amount not less than Seventeen Million Dollars (\$17,000,000) made to Bristol for the costs of designing and constructing the Project Improvements.

“**Subcontractor**” means any person or entity having a contract with the Design-Builder or any Subcontractor for the construction, equipping, or supplying by such Subcontractor for any portion of the Project.

“**Subcontracts**” means all subcontracts now or hereafter entered into by the Design-Builder or Bristol for the construction of any of the Project Improvements or the installation of any of the personal property for the Project or the performance of any other aspect of the Project Improvements Work, together with all sub-subcontracts, material or equipment purchase orders, equipment leases, and other agreements entered into by the Design-Builder, any Subcontractor, or any other party supplying labor or materials in connection with the Project Improvements Work.

“**Sub-Lease**” shall have the meaning set forth in Section 3 below.

“**Substantial Completion**” shall have the meaning set forth in Section 5(e) below.

“**TDEC**” shall have the meaning set forth in Section 9(b) below.

2. **Development Plan Generally.** Concurrently with the execution of this Agreement, the Fair Board, as Master Lessor, and the Authority, as Master Lessee, will enter into a Master Lease Agreement in the form attached hereto as **Exhibit D** (the “**Master Lease**”), by which the Authority will lease the Site from the Fair Board for the duration of the term of the Authority Bonds; and (b) the Authority shall lease the Site back to the Fair Board pursuant to a Sub-Lease Agreement in the form attached hereto as **Exhibit E**, between the Authority, as Sublessor, and the Fair Board, as Sublessee (the “**Sublease**”), which provides the Fair Board with full, exclusive use and occupation of the Site for a period of no less than thirty (30) years from the effective date of the Sublease. The Fair Board, as lessor, and Bristol, as lessee, will then enter into the Speedway Lease, pursuant to which Bristol will agree to operate, maintain and manage the Speedway and cause the Project to be completed pursuant to this Agreement. This Agreement sets forth the obligations of the Parties with respect to the development of the Project.

3. **Collaborative Process.**

(a) **Process.** The parties intend for the design and construction of the Improvements to be a cooperative, mutual endeavor in which the Metropolitan Government, the Fair Board and Bristol actively participate and work together with due diligence and good faith within the terms and conditions of this Agreement.

(b) **Speedway Oversight Committee.** The Speedway Oversight Committee will consist of the Fairgrounds Executive Director, the Chair of the Fair Board, and the Metropolitan Director of Finance or its designee. The Speedway Oversight Committee will represent the interests of Metropolitan Government and the Fair Board throughout the design, development and construction process.

(c) Declaration. The Fair Board, Bristol, and Nashville Soccer Club, LLC have approved the form of the Declaration, and will each execute and deliver the Declaration to the Fair Board. Notwithstanding any provision to the contrary contained herein, in the event the Fair Board, Bristol or Nashville Soccer Club, LLC fail to execute the Declaration prior to the Effective Date, Bristol agrees that, unless caused by an act of bad faith on the part of the Authority or the Fair Board, Bristol's inability to schedule any event at the Speedway under the Speedway Lease shall not be considered a breach of or default on this Agreement by the Authority or the Fair Board. Notwithstanding the expiration or earlier termination of this Agreement, the rights and obligations of the Parties herein that expressly survive such expiration or earlier termination will survive such expiration or earlier termination. It is expressly understood and agreed that the failure of Nashville Soccer Club, LLC to comply with the terms of the Declaration shall not result in a Fair Board default under this Agreement.

4. **Pre-Development Budget and Activities.**

(a) Design and Design-Build Contract. Bristol shall work cooperatively with the Fair Board and the Authority in the selection process for a Design-Builder. Upon selection of the Design-Builder, Bristol shall enter into a written contract (the "**Design-Build Contract**") to be approved by the Fair Board, which approval shall not be unreasonably withheld, conditioned, or delayed. The Design-Build Contract shall name the Metropolitan Government and the Authority as third-party beneficiaries. The Design-Build Contract shall be in form and substance typical and usual for projects similar to the Project Improvements, including such items as costs, construction schedules, liquidated damages for failure to satisfy delivery requirements, change orders and retainage requirements. Project Manager, as supervised and directed by the Speedway Oversight Committee, will be responsible for directing the activities of the Design-Builder in accordance with the Design-Build Contract. Without limiting any of the foregoing, the Design-Build Contract shall:

(i) require the Design-Builder to furnish evidence of insurance insuring the Metropolitan Government, the Authority, and Bristol, and their respective affiliates, from all claims as a result of injury or damage in connection with the Design-Builder's construction of the Project Improvements;

(ii) require the Design-Builder to submit a customary guaranteed maximum price ("**Guaranteed Maximum Price**") proposal for constructing the Improvements when the Proposed Final Plans are fully complete or at such earlier stage of completion (but no earlier than 75% complete) as may be approved by the Metropolitan Government and Bristol;

(iii) permit termination of the Design-Build Contract without liability to the Design-Builder (except for acceptable design and other pre-construction work already performed) if the Guaranteed Maximum Price proposal is not accepted;

(iv) require the Design-Builder to provide separate payment and performance bonds having a penal sum in the full amount of the Guaranteed Maximum Price and naming the Metropolitan Government and Authority as additional obligees;

(v) require that all substantive construction work and materials be procured by bidding or other competitive process approved by Bristol and the Metropolitan Government;

(vi) not permit the Design-Builder to self-perform any substantive construction work or furnish any materials intended to be incorporated into the Improvements except under exceptional circumstances and where approved in writing by Bristol and the Metropolitan Government, provided, however, that repurposing grandstands and/or other fixtures, equipment or furnishings owned by Bristol or any entity controlling, controlled by or under common control with Bristol shall not be deemed "self-performance" within the meaning of this Section 4(a)(vi);

(vii) permit amendment of the Guaranteed Maximum Price by additions or deductions by change order (any such change orders being subject to the approval of the Metropolitan Government and Bristol, and any increase in the Guaranteed Maximum Price paid by the party requesting such change), with any costs, other than duly approved change orders, which would cause the Guaranteed Maximum Price to be exceeded to be paid by the Design-Builder without reimbursement by the Metropolitan Government or Bristol;

(viii) provide that neither the Authority nor the Metropolitan Government shall be responsible for costs associated with any change order necessitated by or associated with errors or omissions in the Final Plans;

(ix) require the Design-Builder to indemnify and hold harmless Bristol, the Metropolitan Government, the Authority, and their affiliates (collectively, the "Indemnified Parties") for any damages, losses or expenses incurred by the Indemnified Parties for the failure of the Design-Builder to complete the Project Improvements on or before the Project Delivery Date in accordance with this Agreement (subject to appropriate extension for bona fide Excusable Delays) provided that such delay is not the fault of Bristol or its affiliates; and

(x) require the Design-Builder and any Subcontractors of the Design-Builder, upon written request from the Metropolitan Government, to furnish the Metropolitan Government with certified copies of payroll records.

(b) Bristol shall cause the Design-Builder to prepare detailed design drawings in furtherance of the development of the Project. Bristol may also incur other expenditures in furtherance of the pre-development of the Project as specifically described in a pre-development budget to be approved by the Speedway Oversight Committee (such budget, as amended, modified and/or supplemented from time to time with the Approval of the Speedway Oversight Committee, in each instance, the "Pre-Development Budget"). Bristol shall have the right to re-allocate amounts contained in particular line items within the Pre-Development Budget to and from other line items within such Pre-Development Budget, provided, however, that re-allocations within the applicable sub-groups of the Pre-Development Budget may not exceed, in the aggregate a ten percent (10%) increase or decrease adjustment in such sub-groups without the Approval of the Speedway Oversight Committee. The expenditures identified in the Pre-Development Budget are collectively referred to in this Agreement as the "Pre-Development Expenses." The activities described and identified in the Pre-Development Budget are collectively referred to in this Agreement as the "Pre-Development Activities." All Pre-Development Expenses must be for

expenditures which were incurred for design, environmental and engineering assessments of the Speedway or such other related expenditures as described in the Pre-Development Budget.

(c) Bristol shall submit to the Metropolitan Government a report on or prior to the 15th day of each month commencing with the first full calendar month following the Effective Date, detailing the amount of Pre-Development Expenses, by type or category, incurred by Bristol in the preceding month, and identifying the amount of such Pre-Development Expenses required to be paid by Bristol and CVC pursuant to Section 3(c).

(d) CVC will fund the Pre-Development Expenses out of the CVC Contribution on a monthly basis, up to a maximum amount of \$4,000,000. Bristol will be responsible for paying any Pre-Development Expenses in excess of \$4,000,000. Bristol will enter into the CVC Tourism Promotion Agreement with CVC setting forth the obligation of CVC to fund the CVC Contribution in accordance with the preceding sentence within thirty (30) days after receipt of the monthly Pre-Development Expense report in accordance with Section 3(a). In no event shall the Metropolitan Government, the Fair Board or the Authority be required to reimburse the CVC or Bristol for any Pre-Development Expenses incurred by them, whether or not the Authority Bonds are issued as contemplated herein.

(e) Bristol agrees that all Pre-Development Activities and all Project Improvements shall be procured consistent with the processes approved by the Metropolitan Director of Finance and Director of Law and that comply with Applicable Law, including without limitation the requirements of Title 4 of the Metropolitan Code of Laws. Bristol may procure elements of the Project from related companies so long as the procurement process described above is followed. All procurement processes undertaken pursuant to this Agreement or the Lease must be approved by the Metropolitan Government, such approval not to be unreasonably withheld.

(f) The Parties acknowledge and agree that at such time as the Pre-Development Activities have been completed information will be available to determine the final Project Budget.

5. **Construction of Project Improvements.**

(a) **Construction Responsibilities.** Bristol shall cause the Project Improvements to be constructed in accordance with the Final Plans in direct consultation with and approval of the Authority. Bristol shall be responsible for administering and supervising construction of the Project Improvements in collaboration with the Speedway Oversight Committee. The Project Improvements Work shall be constructed in accordance with the time schedule to be agreed upon by the Parties prior to the commencement of construction, subject to Excusable Delays (defined below). The Design-Builder shall construct the Project Improvements in a good and workmanlike manner and shall cause all construction work to comply with Applicable Law, applicable NASCAR standards, and all other Minimum Design Standards (defined below).

(b) **Preliminary Plans.**

(i) Bristol shall work directly with the Design-Builder to prepare and submit to the Metropolitan Government for review, proposed detailed (i) preliminary plans and specifications and elevations for the Project Improvements and (ii)

a site plan of the Project Improvements showing the location, configuration and size of the Project Improvements (collectively, the “**Preliminary Plans**”) no later than June 15, 2023. The Preliminary Plans must meet the minimum design standards described in **Exhibit G** attached hereto (the “**Minimum Design Standards**”). The Minimum Design Standards will include, without limitation, fan and driver safety elements, noise abatement elements, ADA accommodation requirements, and all applicable NASCAR standards. The parties acknowledge a noise abatement study performed in 2021 and presented to the Fair Board (the “**Noise Study**”). The Minimum Design Standards will include the noise abatement features contemplated in the Noise Study. Any material items of concern of the Metropolitan Government shall be identified by the Metropolitan Government in writing in a detailed list specifying the nature and areas of concern and the changes the Metropolitan Government desires to be considered. Bristol, the Design-Builder and Metropolitan Government will meet within ten (10) business days from the date of delivery of the Metropolitan Government’s written list to discuss such areas of concern in good faith to consider possible adjustments to the proposed Preliminary Plans.

- (ii) If the expected Project Budget based on the proposed Preliminary Plans exceeds expected available funds from the State Grant, the portion of the CVC Grant not used for Pre-Development Expenses, and the Authority Contribution, the Parties will consider design adjustments to reduce the Project Budget so as not to exceed available funds; provided that such design adjustments shall not cause the Project design to fall below the Minimum Design Standards. If the expected Project Budget, as adjusted, continues to exceed expected available funds from the State Grant, the portion of the CVC Grant not used for Pre-Development Expenses, and the Authority Contribution, Bristol will have the option to (i) terminate this Agreement and Lease Agreement or (ii) contribute additional funds as may be necessary to cover the shortfall in the adjusted Project Budget (which amounts shall be included in the Bristol Contribution (as defined in Section 6(a), below). Bristol will notify the Metropolitan Government in writing of its election to contribute the Bristol Contribution or terminate this Agreement and the Lease Agreement within sixty (60) days after the Parties have identified that the expected Project Budget, as adjusted, exceeds expected available funds from the State Grant and the Authority Contribution. If Bristol notifies the Metropolitan Government in writing of its election to make the Bristol Contribution, such election shall be irrevocable and Bristol acknowledges that the Authority, the Fair Board and the Metropolitan Government shall have relied upon Bristol’s commitment to make the Bristol Contribution in electing to proceed with the issuance of the Authority Bonds.

(c) **Final Plans.** Bristol shall work directly with the Design-Builder to prepare and submit to the Speedway Oversight Committee for review, proposed detailed and final plans and specifications for the Speedway and other Improvements (the “**Proposed Final Plans**”) no later

than November 15, 2023. Any material items of concern of the Speedway Oversight Committee shall be identified by the Speedway Oversight Committee in writing in a detailed list specifying the nature and areas of concern and the changes the Speedway Oversight Committee desires to be considered. Bristol, the Design-Builder and Speedway Oversight Committee will meet within ten (10) business days from the date of delivery of the Speedway Oversight Committee written list to discuss such areas of concern in good faith to consider possible adjustments to the Proposed Final Plans. Once the Proposed Final Plans shall have been approved by Bristol and the Speedway Oversight Committee, such Proposed Final Plans shall constitute the “**Final Plans**” for all purposes under this Agreement.

(d) Construction Schedule. The Parties shall agree upon a Project Improvements Construction Schedule in connection with the approval of the Final Plans. Promptly following approval of any Proposed Final Plans and their designation as “Final Plans” hereunder, Bristol or the Design-Builder, as appropriate, shall apply for a building permit and all other permits necessary for construction of the Project Improvements, and the Design-Builder shall commence construction of the Project Improvements immediately upon receipt of all necessary permits and proceed with all due diligence until Completion. Bristol shall cause the Project Improvements to be Ready for Occupancy on or before completion date agreed upon in the Final Plans (“**Project Delivery Date**”), subject to Excusable Delays.

(e) Project Reporting. Bristol shall furnish to the Metropolitan Government monthly a project status report or reports, each certified to the Fair Board, and shall contain (a) the status of design planning, (b) a comparison of the Project Budget to costs incurred through the date of the report, and a description of the variances, (c) a status of the Project Improvements Construction Schedule in relationship to the work completed through the date of the report, and a description of the variances, (d) the status of any permits, licenses or approvals under Applicable Laws required or necessary to facilitate the continued construction, or ultimate occupancy, of the Project Improvements, and (e) any other matters relating to the design, development, and construction of the Project Improvements Work subject to mutual agreement of the Parties.

(f) Performance of the Project Improvements Work. All such Project Improvements Work shall be (i) prosecuted with reasonable diligence and completed with all reasonable dispatch, subject to Excusable Delays; (ii) constructed and performed in a good and workmanlike manner and in strict accordance the Final Plans and with standard construction practices for construction, repair, renewal, renovation, demolition, rebuilding, addition or alteration, as the case may be, of improvements similar to the Project Improvements; (iii) constructed and performed using qualified workers and Subcontractors; (iv) constructed and performed in accordance with Applicable Laws and the terms of this Agreement; and (v) free of any Liens. Bristol shall take all reasonably necessary measures and precautions to minimize damage, disruption or inconvenience caused by such work and make adequate provisions for the safety and convenience of all Persons affected thereby, in each case in the manner as a Reasonable and Prudent Developer would undertake in light of the particular circumstances. Except as expressly provided in this Agreement, Bristol shall be responsible for all costs incurred in connection with the Project Improvements Work, including any costs, charges, and fees in connection with supplying the Project Improvements with all necessary utilities, all costs, charges, and fees payable to any Governmental Authority in connection with the Project Improvements Work (including all building permits, platting, and

zoning fees and street closure fees or any other license, permit or approval under Applicable Laws), title insurance costs associated with any leasehold and mortgagee title insurance obtained by Bristol and all other site preparation costs, fees or expenses incurred in connection with the Land or the design, development, construction, furnishing, and opening of the Project Improvements. Dust, noise, traffic, hazards, and other effects of such work shall be controlled in accordance with Applicable Law and in such manner as a Reasonable and Prudent Developer would undertake in light of the particular circumstances.

(g) Substantial Completion. Upon the occurrence of all of the following, the Premises shall be deemed “**Ready for Occupancy**”: (i) Substantial Completion of the Project Improvements in accordance with the Final Plans and Applicable Law with all equipment, utilities and systems in good condition and working order and with access to the Speedway free and clear of any construction materials or equipment, obstructions or debris, (ii) receipt of a certificate of occupancy or equivalent for the Speedway, (iii) actual physical possession of the Premises has been delivered to Bristol in a broom clean condition, free and clear of all personal property of any other parties and all tenancies and rights of any parties to possession, (iv) actual physical possession of the Premises has been delivered to Bristol free and clear of any asbestos or other hazardous materials and any mechanic’s lien claims which have not been bonded or otherwise satisfied so as to permit delivery of the Premises free and clear of any lien claim, (v) delivery to Bristol of a certificate of completion for the Project Improvements signed by the Designer or Record, and (vi) ninety (90) days’ written notice from Bristol has been given to Metropolitan Government of the estimated delivery date prior to actual delivery of the Premises. The term “**Substantial Completion**” shall mean that the construction of the Project Improvements has been completed in accordance with the Final Plans, subject to minor punch list items, which punch list shall be established as provided below, all as documented by the issuance of a certificate to that effect issued as provided herein.

(h) Additional Close-Out Documentation. Notwithstanding anything to the contrary contained in this Agreement, in addition to any other requirements set forth herein, Bristol and/or Design-Builder shall deliver to Metropolitan Government all of the following as soon as possible following Substantial Completion of the Project Improvements, but not later than sixty (60) days thereafter:

- (i) Operation and maintenance manuals for all systems and equipment installed in the Speedway.
- (ii) The originals or copies of all guarantees and warranties obtained by Bristol or Design-Builder in connection with the construction of the Project Improvements.
- (iii) A set of as-built plans and specifications for the Project Improvements.
- (iv) A list of the name, address and telephone number of all contractors, Subcontractors and suppliers that have supplied labor or furnished a major component of materials or equipment to the Premises on behalf of Bristol or Design-Builder.

(i) Excusable Delay. The term “**Excusable Delay**” shall mean any event that temporarily delays the development or construction of the Project Improvements and that is beyond the reasonable control and without contributing fault of any Party, including any fire or other casualty, act of God, earthquake, flood, epidemic, landslide, war, riot, civil commotion, terrorism, general unavailability of supplies, construction materials, energy, fuel, water or other necessary utility, strike, slowdown, walk-out, lockout, shortages of labor or labor dispute (other than strike, slowdown, walk-out, lockout, shortages of labor or labor dispute related to the Design-Builder); provided that the term Excusable Delay shall not include an inability to pay monetary obligations or, unless caused by a separate Excusable Delay, the failure to obtain any government legislation, approval, action or funding with respect to the Speedway or the Site or any approval, funding or other action by or from any person other than (i) a condemnation action by a Governmental Authority with power of condemnation (other than the Metropolitan Government or the Authority) that is not reasonably expected to, and does not, delay the development or construction of the Speedway for more than six (6) months in the aggregate; (ii) any action by a Governmental Authority of a generally applicable nature that is not specifically targeted with respect to the development, construction and/or operation of the Speedway or the acquisition or ownership of any portion of the Site and that is not reasonably expected to, and does not, delay the development or construction of the Speedway for more than six (6) months in the aggregate; or (iii) any unreasonable delay by the Metropolitan Government or any subdivision or department thereof in the issuance of permits and approvals deemed necessary or desirable by Bristol (including, without limitation, the Approvals). In the event of an Excusable Delay, Bristol shall not be penalized under Section 5(d) above, provided however, that Bristol shall (i), within three (3) business days after it becomes aware that any such Excusable Delay event has commenced, notify Metropolitan Government in writing of such event and the causes thereof, once determined, and reasonably estimate the length of such Excusable Delay and (ii) use best efforts to minimize the delay. If Bristol claims any extension of the date of completion of any obligation hereunder due to an Excusable Delay, it shall be the responsibility of Bristol to reasonably demonstrate that the Excusable Delay is the proximate cause of the delay.

(j) Changes. If Bristol requests a change, alteration or addition, other than Correction Work, as defined below, after the Final Plans have been approved, it shall submit the same in writing to the Metropolitan Government. The Design-Builder shall provide Bristol with an estimate of the cost of such change and the additional time required and, upon receipt of same, Bristol shall have three (3) Business Days to elect whether to proceed with such change and any extension of construction time that may be required. If Bristol desires to proceed with such change, Bristol shall submit such request to the Fair Board for approval, which approval shall not unreasonably be withheld or delayed. Upon approval by the Fair Board, the Design-Builder shall incorporate the change into the Final Plans and the Design-Build Contract. If Bristol elects not to make such change, then Bristol shall immediately notify the Design-Builder and construction shall proceed in accordance the Final Plans as previously approved. The delay in construction time, if any, caused by such changes shall extend the Speedway Renovation Project Delivery Date by the additional time established in accordance with the second sentence of this Section 5(k), without penalty to either the Metropolitan Government or the Design-Builder. Notwithstanding the foregoing, if conditions arise after the commencement of construction of the Project Improvements that could not reasonably have been foreseen and that will necessitate changes to the Final Plans, and so long as such changes would not cause the Project to fail to meet the Minimum Design

Standards, Bristol shall be entitled to make such necessary design adjustments to complete the Project Improvements within the funds available from the Project Contributions established in the Final Plans and Project Budget approved by the Parties prior to the commencement of construction.

(k) Governmental Regulations. The design and construction of the Project Improvements shall conform to any and all requirements of applicable building, plumbing, electrical and fire codes and to the requirements of any applicable Governmental Authority, as such codes and requirements may from time to time be amended or supplemented.

(l) Metro Construction Representative. The Fair Board may retain a representative to assist the Metropolitan Government with questions or any issues in connection with the Project Improvements Work (such representative shall hereinafter be referred to as the “**Metro Construction Representative**”), and shall have the right, from time to time, to change the individual who is the Metro Construction Representative by giving at least ten (10) days’ prior notice to Bristol thereof. The cost to retain the Metro Construction Representative shall be part of the Project Budget.

(m) Access to Speedway Property. During the course of construction of the Project Improvements, the Fair Board and its representatives shall have the right, from time to time, to enter the Premises to inspect the construction work, provided that any such party shall not materially interfere with such work. If any such work is discovered to be defective or not in compliance with the Final Plans or Applicable Law, the Fair Board will notify Bristol, and Bristol shall cause the Design-Builder to promptly correct the defective work (the “**Correction Work**”) without cost or expense to Bristol or the Metropolitan Government. The delay in construction time caused by such corrections shall not extend the Project Delivery Date.

(n) Final Inspection.

(i) Bristol shall reconfirm by written notice to the Fair Board the date of actual delivery of the Project Improvements to Ready for Occupancy at least seven (7) business days prior to such date. The Designer of Record, the Design-Builder, the Speedway Oversight Committee, the Metropolitan Government’s representative(s) and Bristol’s representative(s) shall meet at the Speedway Property at a mutually acceptable date and time to conduct an on-site inspection of the Project Improvements and to prepare a punch list of all Correction Work.

(ii) The Designer of Record shall prepare a detailed written punch list of all corrections and repairs to be made to the Project Improvements based on such inspection and a copy of such punch list shall be delivered to the Fair Board and Bristol. If any items that are not “minor” punch list items require correction, repair or replacement, including without limitation Correction Work, as defined above, then Substantial Completion of the Project Improvements shall not be deemed to have occurred. After all such work which does not constitute “minor” punch list items has been completed, then the Parties shall meet again to inspect the Project Improvements and prepare, if necessary, another punch list.

(iii) If the Project Improvements are completed in accordance with this Agreement, except for minor punch list items, then (i) the Metropolitan Government and Bristol shall sign the punch list and the Design-Builder shall cause all such minor punch list items to be completed within thirty (30) days thereafter and (ii) the Designer of Record shall sign the certificate of Substantial Completion referenced in Section 5(h) above and deliver a signed copy to all Parties within seven (7) days after such inspection.

(o) Warranty. Bristol agrees to include in its contract with the Design-Builder a provision requiring the Design-Builder to warrant the Project Improvements against defects in materials and workmanship for a period of one (1) year (commencing on the date of Substantial Completion). Bristol agrees, to transfer, assign or otherwise cooperate with Metropolitan Government to enforce and/or make available to Metropolitan Government for its benefit any and all manufacturer warranties or guarantees related to any materials or equipment that are used in the construction of or otherwise become a part of the Project Improvements.

(p) Liquidated Damages. Bristol shall use commercially reasonable efforts in good faith by appropriate proceedings to collect any liquidated damages from the Design-Builder pursuant to the Design-Build Contract. The Metropolitan Government shall have no obligation whatsoever to enforce the Design-Build Contract or other construction, design or consulting agreements, as applicable. If Bristol collects any liquidated damages from the Design-Builder or such other contractor or pursuant to the Design-Build Contract or such other contract, as applicable, for a delay in achieving Substantial Completion of the Project Improvements Work, then Bristol (i) may use such liquidated damages to fund any Cost Overruns, and (ii) will, promptly following completion and payment of all Cost Overruns, distribute the remaining balance of such liquidated damages as follows: one-half to the Authority, and one-half to Bristol. Upon receipt of its share of any such liquidated damages, the Authority shall deposit such sums into the Revenue Fund established under the Bond Indenture. Bristol covenants the provisions of this Section 3(q) and Bristol's obligations with respect to any such liquidated damages accruing prior to the date of termination hereof shall survive any expiration or earlier termination of this Agreement.

(q) Time is of the Essence. Bristol shall use its best efforts to ensure the Project Improvements are Ready for Occupancy on or before the Project Delivery Date (subject to appropriate extension for bona fide Excusable Delays). The Parties acknowledge and agree that time is of the essence for Completion of the Project Improvements by the Project Delivery Date.

6. Project Financing and Project Accounts.

(a) Financing Generally. The Project Costs will be paid from the following sources of funds and in the following order:

(i) First, from the CVC Contribution in the amount of \$17,000,000, less the portion of the CVC Contribution disbursed to fund the Pre-Development Expenses;

(ii) Second, from the State Grant in the amount of \$17,000,000;

(iii) Third, from the Bond Construction Proceeds realized from the sale of the Authority Bonds (the “Authority Contribution”); and

(iv) Fourth, an amount, as determined from time to time, equal to the amount necessary to complete the Project Improvements in accordance with the Project Budget minus the Authority Contribution, the State Grant, and the CVC Contribution (such amount, the “Bristol Contribution”), subject, however, to Bristol’s right to terminate this Agreement and the Lease as set forth in Section 5(b)(ii) prior to the issuance of the Authority Bonds.

(b) Authority Contribution. The Authority Contribution shall be funded by the Authority as follows:

(i) The Metropolitan Government shall enter into the Intergovernmental Project Agreement with the Authority pursuant to which the Non-Tax Revenues shall be made available to provide additional credit support in favor of the Authority Bonds, and the Authority will issue the Authority Bonds to fund a portion of the costs of the Project, contingent upon (i) Final Plans being acceptable to the Fair Board, (ii) the Project meeting the Minimum Design Standards, (iii) the Authority’s and the Fair Board’s satisfaction that the Project Costs do not exceed the sum of the Authority Contribution, the State Grant, the portion of the CVC grant not used for Pre-Development Expenses, and the Bristol Contribution, and (iv) the Authority’s and the Fair Board’s satisfaction that the State Grant and Bristol Contribution have or will be timely funded in accordance with the terms hereof.

(ii) Within 30 days after the satisfaction of the conditions set forth in (i) above and the written request of Bristol, the Authority shall issue the Authority Bonds and cause the Authority Contribution to be deposited into the “Project Fund” established with the Bond Trustee under the Bond Indenture (the “Bond Proceeds Account”).

(c) State Grant. Bristol shall be responsible for preparing and submitting all applications and information required by the State for the issuance of the State Grant. Bristol shall comply with all conditions and requirements imposed by the State in connection with such State Grant. The proceeds of the State Grant shall be deposited into a segregated, interest-bearing account maintained in accordance with the requirements of the State, which account shall only be used to pay costs of the Project (the “State Grant Account”), provided, however, that Bristol shall request that the State agree that the State Grant Account be controlled and administered, in trust, by [_____] (the “Trustee”). The State Grant funds shall not be commingled with any other funds of Bristol or the Metropolitan Government.

(d) Bristol Contribution. If Bristol has elected to make the Bristol Contribution in accordance Section 5(b)(ii), Bristol shall, not later than the issue date of the Authority Bonds, deposit the Bristol Contribution into a segregated account controlled and administered by the Trustee.

(e) Termination of Project Accounts.

(i) Upon certification by Metropolitan Government and Bristol in writing that the Project Completion Date has occurred and all then legally owing Project Costs have been fully paid, then:

(1) The Project Accounts will be terminated.

(2) All remaining amounts in the Bond Proceeds Account, including interest and funds earned from investment of the Bond Proceeds Account, shall be applied to the redemption of, or the payment of debt service on the Authority Bonds, in the manner specified in the Bond Indenture.

(3) All remaining amounts in the State Grant Account shall be applied as required by the terms of the State Grant.

(4) All remaining amounts in respect of the Bristol Contribution then held in the Bristol Contribution Account, if any, including interest and funds earned from investment of the Bristol Contribution, shall be paid to Bristol.

7. **Disbursement of Project Contributions.**

(a) No more than once each calendar month Bristol will submit to the Metropolitan Government or its designee, a requisition (“**Requisition**”) for the amount currently due for Project Costs, less any required retainage. Each Requisition shall include an application for payment that is in a form reasonably acceptable to Metropolitan Government (“**Payment Application**”) that is certified by Bristol, and that establishes (i) the amount of the requested advance; (ii) the names, addresses and amounts due or to become due as well as the amounts previously paid to the Design-Builder, and every Subcontractor, and supplier furnishing materials for or performing labor on the construction of any part of the Project; (iii) a narrative description of the Project Improvements Work that has been completed so that Metropolitan Government or its designee can verify such Project Improvements Work (either independently or by its architect or other consultant); (iv) certification by Design-Builder that all construction lien rights or claims have been waived for the amounts disbursed for the period up to and including the prior month's Requisition; (v) percentage of completion of the Project Improvements Work; and (vi) an updated list of all change orders requested to be funded through the Payment Application.

(b) Each Requisition shall be approved in writing by the Metro Construction Representative. Within thirty (30) days after the receipt of each approved Requisition, unless the Parties otherwise agree, the Metropolitan Government shall, to the extent funds are available in the Project Accounts, pay the full amount requested in accordance with the Requisition.

(c) Metropolitan Government will advance the final disbursement request for payment of Project Costs in an amount not to exceed the full principal amount of the Project Contributions not theretofore disbursed (the “**Final Project Advance**”) when the following conditions shall have been complied with, provided that such compliance shall have occurred on or prior to the scheduled Project Completion Date and no Bristol Default has occurred and is continuing:

(i) Certificates of occupancy issued by the Governmental Authority having appropriate jurisdiction over the completed Project and all other governmental licenses and permits required to use, occupy, and operate the Project as contemplated from appropriate governmental authorities have been issued.

(ii) Certificates of substantial completion, in the form of AIA Document G704, executed by the Designer of Record, have been delivered to the Metropolitan Government.

(iii) Bristol shall have delivered to the Metropolitan Government fully executed copies, in form and content satisfactory to the Metropolitan Government, of (i) AIA Document G704 and (ii) AIA Document G707 (Consent of Surety to Final Payment).

(iv) All Subcontractors and the Design-Builder have supplied the Metropolitan Government or its designee with final sworn statements and full and complete waivers of all mechanics' lien and all other Project-related claims in a form reasonably acceptable to the Metropolitan Government.

(v) A final survey and surveyor's certification reasonably acceptable to the Metropolitan Government showing the as-built location of the completed improvements, the perimeter of the Project by courses and distances, any existing foundations and footings for the improvements, all easements and rights-of-way, the boundary lines of the streets abutting the Site, any encroachments and the extent thereof in feet and inches, the relation of the improvements by distances to the perimeter of the Site and the building lines. All costs associated with the survey and surveyor's certification shall be paid as part of the Project Budget.

(vi) Delivery by the Design-Builder of an affidavit stating that the improvements have been completed substantially in accordance with the Design-Build Contract except for punch list items identified as described below; that all amounts due from the Design-Builder to all Subcontractors and materialmen who have provided services or materials in connection with the construction of the improvements have been paid (or will be paid out of funds requested to be advanced); and that Metropolitan Government and the Design-Builder have received lien waivers or releases from such Subcontractor and materialmen in a form acceptable to Metropolitan Government.

(vii) A certificate of an officer of Bristol to the effect that, to the best of such officer's knowledge, (i) the acquisition, construction, equipping and development of the Project has been substantially completed in accordance with the Plans and Specifications, all applicable zoning and building laws, ordinances, rules and regulations and in accordance with the applicable provisions of the Americans with Disabilities Act of 1990, 42 U.S.C. §§ 12101 et seq.; (ii) all labor, materials, equipment and services used in connection with such acquisition, construction, equipping and development have been paid in full; (iii) all other material improvements necessary in connection with the Project have been acquired, constructed and completed, and all costs and expenses incurred in connection therewith have been paid in full; (iv) substantially all of the equipment, materials and furnishings have been purchased and installed in the Project and have been paid in full; and the Project is suitable and sufficient for its intended purpose.

(viii) Bristol shall cause the Designer of Record to prepare a schedule, by descriptive line item, of minor items of construction that remain uncompleted as of the date of substantial completion of the Project, which shall have been provided to the Metropolitan Government and will estimate the actual cost of completion.

(ix) Verification by the Metro Construction Representative that the Project has been completed.

8. Cost Overruns, Project Savings And Audit

(a) Cost Overruns. The term “**Cost Overruns**” as used in this Agreement shall mean the amount by which the total costs and expenses required to be paid under the Construction Agreements by Bristol for the Project Improvements Work exceeds the aggregate of the amounts on deposit in the Project Accounts.

(b) Payment of Cost Overruns. Bristol shall pay all Cost Overruns as and when the same are due. The Metropolitan Government, the Authority and the Fair Board shall not be responsible for the payment of any Cost Overruns. Bristol shall have the sole and exclusive right to pursue all claims and receive all recoveries, damages, and penalties from contractors and sureties to the extent of any Cost Overruns paid by Bristol. To the extent of other costs paid by the Parties, each Party shall have the right to pursue claims and receive recoveries, damages, and penalties from contractors and sureties in proportion to their respective Losses. The Parties shall cooperate with each other in pursuing joint recoveries and the Party whose projected Losses are the greater shall have the right to select counsel and control the litigation to recover such Losses.

(c) Audit Rights. Subject to the limitations listed below, the Metropolitan Government may, upon prior written notice to Bristol but not more frequently than once per calendar year, designate an independent auditor to audit from time to time the books, records, receipts, vouchers, and other documentation (“**Books and Records**”) necessary to verify Bristol’s compliance with the requirements of this Agreement. Bristol shall cause such files, records, and accounts of expenditures for materials, equipment, employees and contractors and the like, and other costs of rendering services or performing work in connection with the Project Improvements Work to be kept as necessary for the proper administration of this Agreement. Such records shall be kept on the basis of generally recognized accounting principles for projects of this nature and in accordance with this Agreement.

9. Environmental.

(a) Environmental Assessments. Bristol will obtain a Phase I environmental assessment of the Site during the Project design phase and will provide the Metropolitan Government with a copy of the full and final written Phase I report within 14 days after receipt thereof. Bristol shall have a Phase II environmental assessment performed if either Bristol or the Metropolitan Government determines it to be reasonably necessary. The costs of the Phase I (and Phase II, if any) environmental investigations and reports shall be paid as a Pre-Development Expense. Any remediation work recommended by such environmental reports and determined by

Bristol to be necessary for undertaking the Project will be treated as a Project Improvement for all purposes.

(b) Environmental Costs In the event any Contamination is discovered after execution of the Design-Build Contract that, pursuant to applicable Environmental Laws, requires the performance of a Response Action, Bristol shall arrange for the preparation and delivery of a Response Action plan sufficient to obtain from the Tennessee Department of Environment and Conservation (the “**TDEC**”) a “No Further Action” letter for soils at the Site and shall obtain approval of such plan by TDEC. The costs of any Response Action (including preparation of the Response Action plan) shall be paid as a Project Improvement, but Bristol shall have the right to require changes to designs for the Project Improvements for cost savings so long as despite such changes, the Project Improvements will still satisfy the Minimum Design Standards.

10. Commencement Contingencies. The obligation to commence construction of the Project Improvements as provided in this Agreement is expressly conditioned on the satisfaction of all of the following requirements (collectively, the “**Commencement Contingencies**”):

(a) The Authority Contribution, the State Grant and the Bristol Contribution shall have been deposited to the applicable Project Account(s);

(b) The Authority, the Fair Board, and Bristol shall have determined that the Authority Contribution, the State Grant, and the Bristol Contribution, if any, are sufficient to fully fund the Project Budget;

(c) The Design-Build Contract shall be acceptable to the Speedway Oversight Committee in its reasonable discretion; and

(d) Bristol shall have received all permits and approvals (including, without limitation, the Approvals) deemed necessary or desirable by Bristol for the construction of the Project Improvements and operation of the Project. Notwithstanding any provision to the contrary herein, the Metropolitan Government shall evaluate Bristol’s applications in the ordinary course of business and not unreasonably delay issuance of such permits and approvals (including, without limitation, the Approvals) to the extent such permits or approvals are to be issued by the Metropolitan Government or any subdivision or department thereof.

Upon satisfaction of the Commencement Contingencies, Bristol agrees that it will commence construction of the Project Improvements in accordance with this Agreement. Bristol agrees that is shall be responsible for all Project Costs not funded with funds from the State Grant and the Authority Contribution, whether included in the Project Budget or as a result of Cost Overruns. Notwithstanding anything to the contrary in this Agreement, so long as the Authority Bonds have not been issued, if the Commencement Contingencies are not satisfied on or before January 1, 2024, then this Agreement may be terminated at the election of the Metropolitan Government or Bristol by written notice to the other Party at any time prior to the actual satisfaction of the Commencement Contingencies. Notwithstanding the expiration or earlier

termination of this Agreement, the rights and obligations of the Parties herein that expressly survive such expiration or earlier termination will survive such expiration or earlier termination.

11. **Insurance.**

(a) In addition to the insurance requirements under the Lease, Bristol shall procure and maintain, or cause to be procured and maintained, a builder’s risk insurance policy on an “all risk” 100% replacement cost basis and shall name the Fair Board, the Authority and the Metropolitan Government as additional insureds.

(b) Throughout the Project, Bristol shall require that Design-Builder maintain, at its own expense, the minimum types and amounts of insurance set forth below, insuring Design-Builder, its employees, agents and designees as well as the Authority, the Metropolitan Government and their officers, agents and employees, which insurance shall be placed with insurance companies licensed to do business in Nashville, Tennessee and rated at least A-:VIII or better by A.M. Best Company’s Key Rating Guide, and have deductible amounts not exceeding \$100,000 without the Metropolitan Government’s written consent. Each policy of insurance shall incorporate a provision requiring the giving of written notice to the Metropolitan Government, and any other person designated by the Metropolitan Government at least sixty (60) days prior to the notice will be delivered in accordance with the policy of cancellation, non-renewal, or modification of any such policies as evidenced by return receipt of United States certified mail. Evidence of all required coverages must be provided to and accepted by the Metropolitan Government prior to any work being performed under the Design-Build Agreement.

Worker’s Compensation/Employer’s Liability

All of Design-Builder’s employees shall be covered under Workers Compensation as and to the extent required by Tennessee law. Employer liability coverage shall have a policy limit of at least \$1,000,000.

Commercial General Liability and Umbrella/Excess

CGL coverage shall be on an occurrence basis with the following minimum limits:

Each occurrence	\$2,000,000
Personal injury	\$2,000,000
General aggregate per project	\$4,000,000
Completed operations	\$4,000,000
Umbrella/Excess	\$50,000,000

The Authority, the Metropolitan Government, and their officers, agents, and employees, shall be added as an additional insured under Design-Builder’s General Liability and Umbrella/Excess policies. Coverage afforded to the Authority and Metropolitan Government must be primary and non-contributory with any other insurance available, whether such insurance is on a primary, excess, umbrella or contingent basis. The Commercial General Liability policy shall contain an endorsement waiving all rights of subrogation against the Authority and the Metropolitan Government as additional

insureds.

Commercial Automobile Liability

CAL coverage must include owned, non-owned, and hired automobiles and have liability limits of at least \$1,000,000. The Authority, the Metropolitan Government, and their officers, agents and employees shall be named additional insureds, and the policies shall waive subrogation against them.

Builders Risk

- Coverage shall provide special causes of loss, including the perils of earth movement, flood, windstorm including named storm, and certified and non-certified terrorism. Named storm shall include loss or damage caused by flood related to, or resulting from, a named storm.
- Coverage shall be provided on the work and materials which are the subject of the Agreement, including “in transit” coverage to the job site, loading and unloading operations, and coverage while materials are stored temporarily off the job site. Such coverage shall remain in force until the work and materials are accepted by the Metropolitan Government.
- The Metropolitan Government shall be the named insured, and Design-Builder and all Subcontractors of every tier shall be additional insureds. The Metropolitan Government, Design Builder, and all Subcontractors shall waive all rights and claims against each other for damages to the extent reimbursed by Builders Risk.
- Builders Risk coverage shall not contain any coinsurance penalty provisions.
- Coverage shall be in an amount equal to the greater of the completed value of the entire Project.
- The deductible shall not exceed \$50,000 per occurrence for all perils. All deductibles shall be borne by the Design-Builder.
- Loss, if any, shall be adjustable with and payable to the Metropolitan Government as trustee for all entities having an insurable interest.

12. **Speedway Motorsports Guaranty of Bristol’s Obligations.** Bristol agrees that it will cause Speedway Motorsports, LLC, a Delaware limited liability company (“SM”) to execute and deliver to Metropolitan Government, or to an escrow agent designated by Metropolitan Government, a Guaranty Agreement in the form attached as Exhibit E to the Lease (the “SM Guaranty”).

13. **Payment and Performance Bonds.** Bristol shall cause the Design-Builder to obtain payment and performance bonds (the “Performance Bonds”) covering the Design-Builder’s faithful performance of the Project Improvements Work as provided in this Agreement and the Construction Agreements and the payment obligations arising under this Agreement, the Design-Build Contract for the benefit of Bristol and the Metropolitan Government. The costs of the Performance Bonds shall be included in the Guaranteed Maximum Price. The Design-Builder’s

Performance Bonds for the Project shall cover the entire amount of the Guaranteed Maximum Price allocated for the Project Budget. Bristol and Metropolitan Government shall be named dual or third-party obligees on the Performance Bonds and the Design-Builder shall execute dual obligee riders prior to payment of the premiums for the Performance Bonds. The Performance Bonds shall be executed by a Qualified Surety licensed in the State of Tennessee. The Performance Bonds shall remain in effect for a period of not less than one (1) year following the later of (a) the Completion date, or (b) the time required to resolve any items of incomplete Project Improvements Work or the payment of any disputed amount. Each Performance Bond shall (i) display the surety's bond number, and (ii) include a rider that expressly waives the surety's right to notice, waives any defense or rejection of a claim on the basis of a modification of any sort to the Project Improvements Work or this Agreement and requires the surety to remain obligated under such Performance Bond to any successor, grantee or assignee of Metropolitan Government. Bristol and the Design-Builder shall be responsible for all communications to the surety and Metropolitan Government shall be included in all such communications, but Metropolitan Government shall have the right to communicate directly with the surety. All Performance Bonds shall be delivered to Metropolitan Government before any Project Improvement Work is permitted to commence and at the same time that the insurance certificates or policies, as applicable, are delivered.

14. **Termination of Agreement.**

(a) If Bristol defaults or fails or neglects to carry out the Project Improvements Work in accordance with this Agreement, or if Bristol fails to perform any of its obligations or breaches any of its representations under this Agreement, Metropolitan Government may give written notice of such default, which notice shall contain a reasonably detailed description of the alleged defaults. Bristol shall correct the defaults, failure or neglect within thirty (30) days after being given such notice; provided, however, if the nature of such defaults, failure or neglect is such that they are not reasonably capable of being corrected within such thirty (30) day period, Bristol shall be allowed a reasonable period of additional time (the “**Bristol Cure Period**”) to correct the defaults, failure or neglect so long as Bristol promptly commences and diligently pursues such corrections to completion, which Bristol Cure Period shall in no event extend beyond ninety (90) days following the applicable default. If Bristol fails to make such corrections within the Bristol Cure Period, then the Metropolitan Government may, and without prejudice to any other remedy, declare that a “Bristol Default” has occurred under the Lease and exercise any and all remedies provided for under the Lease. Such remedies shall include, without limitation, the right of Metropolitan Government to terminate this Agreement and take possession of the Speedway, of the Construction Agreements and of all materials, equipment, tools and construction equipment and machinery thereon that were purchased with Project Contributions or are in the process of being leased for the Project and, if the Metropolitan Government so chooses, to use the remaining proceeds of the Project Contributions to finish the Project Improvements Work by whatever method the Metropolitan Government may deem expedient.

(b) Upon the occurrence of (i) a Fair Board Default which is not cured beyond any applicable grace period, and the election of Bristol to terminate the Lease in accordance with the terms thereof, or (ii) any (1) failure by the Fair Board or the Metropolitan Government to perform any of its material obligations hereunder or (2) breach of any of the Fair Board’s or Metropolitan Government’s representations hereunder, which failure or breach continues for at least thirty (30)

days after the Fair Board's or the Metropolitan Government's receipt of written notice specifying such failure or breach, Bristol may terminate this Agreement by written notice to the Metropolitan Government.

15. **Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute one and the same instrument. The signatures of all of the Parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or electronic mail is as effective as executing and delivering this Agreement. This Agreement is effective upon delivery of one executed counterpart from each Party to the other Parties. In proving this Agreement, a Party must produce or account only for the executed counterpart of the Party to be charged.

16. **Electronic Signatures.** This Agreement may be executed and delivered by facsimile signature or other electronic or digital means (including, without limitation, Adobe's Portable Document Format ("**PDF**")). Any such signature shall be of the same force and effect as an original signature, it being the express intent of the Parties to create a valid and legally enforceable contract between them. The exchange and delivery of this Agreement and the related signature pages via facsimile or as an attachment to electronic mail (including in PDF) shall constitute effective execution and delivery by the parties and may be used by the parties for all purposes. Notwithstanding the foregoing, at the request of any Party, the Parties hereto agree to exchange inked original replacement signature pages as soon thereafter as reasonably practicable.

17. **Term.** The term of this Agreement shall commence on the Effective Date and, except as otherwise expressly provided herein, shall expire on the date of Completion of the Project Improvements Work (the "**Project Term**"); provide however, if the Commencement Contingencies are not satisfied by January 1, 2024, then this Agreement may be terminated at the election of the Metropolitan Government or Bristol by written notice to the other Parties. Notwithstanding the expiration of the Project Term or the earlier termination of this Agreement, the rights and obligations of the Parties herein that expressly survive such expiration or earlier termination shall survive such expiration or earlier termination.

18. **Notices.**

Notices required herein shall be deemed properly given via (i) registered or certified mail, postage prepaid, return receipt requested, (ii) nationally recognized overnight courier, or if delivered personally (or by bonded courier), to the address designated for the recipient. Notice shall be effective on the date of receipt of the notice by the Party being notified. Either Party shall have the right, by giving written notice to the other, to change the address at which its notices are to be received. Until any such change is made, notices to the Parties shall be delivered as follows:

To the Metropolitan Government:

19. **Governing Law and Venue.** The Parties agree that this Lease is executed in and is to be performed in the State of Tennessee, and that all provisions of this Lease and any dispute arising hereunder shall be governed by the laws of the State of Tennessee. Any dispute arising out of this Lease shall be litigated exclusively in the federal or state courts sitting in Davidson County, Tennessee. The Parties hereby consent to in personam jurisdiction of such courts and irrevocably waive any objection and any right of immunity on the ground of venue, the convenience of forum or the jurisdiction of such courts.

20. **Severability.** If a court of competent jurisdiction holds that one or more clauses, sections or provisions of this Lease is unlawful, invalid or unenforceable, the Parties hereto agree that all remaining clauses, sections and provisions shall continue in full force and effect.

21. **Consent Standards.** In granting or withholding any consents or approvals contemplated hereunder, the Fair Board and the Metropolitan Government shall do so in a commercially reasonable manner, where “commercial reasonableness” is measured in the context of similarly situated commercial (i.e., non-governmental) parties.

22. **Miscellaneous.** This Agreement shall be deemed to be part of the Speedway Lease.

23. **Prohibition Against Boycotting Israel.** To the extent this Agreement constitutes a contract to acquire or dispose of services, supplies, information technology, or construction for the purposes of Tennessee Code Annotated Section 12-4-119, neither Bristol, nor any of its wholly owned subsidiaries, majority-owned subsidiaries, parent companies or affiliates, are currently engaged in nor will they engage in a boycott of Israel from the date hereof through the expiration or termination of this Agreement. For the purposes of Section 12-4-119, “boycott of Israel” shall mean engaging in refusals to deal, terminating business activities, or other commercial actions that are intended to limit commercial relations with Israel, or companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel to do business, or persons or entities doing business in Israel, when such actions are taken (i) in compliance with, or adherence to, calls for a boycott of Israel, or (ii) in a manner that discriminates on the basis of nationality, national origin, religion, or other unreasonable basis, and is not based on a valid business reason.

IN WITNESS WHEREOF, the Metropolitan Government, the Fair Board and Bristol have executed this Agreement the date first above written.

DECLARATION

[see attached]

March 6, 2023

Ms. Laura Womack
Executive Director
Fairgrounds Nashville

Dear Ms. Womack,

At your request and in the spirit of cooperation, we write this letter to confirm that Walsh Management LLC ("Walsh"), on behalf of itself and its affiliate Nashville Soccer Club LLC, has participated in discussions with Fairgrounds Nashville and Bristol Motor Speedway ("BMS") related to event scheduling protocols for the Fairgrounds campus and certain proposed changes in anticipation of a possible track expansion and lease to BMS. The attached document accurately reflects Walsh's input into that conversation. Notably though, the list of factors to be considered in establishing changes to the current scheduling procedures reflects the difficulty we anticipate in managing all events that would potentially be held on the site.

Walsh understands that the proposed relationship between BMS and Fairgrounds Nashville will soon come before the Fair Board and then the Metro Council for consideration, and so we are committed to working with all campus partners to develop a workable solution for scheduling multiple events. However, Walsh's commitment is not an indication of any particular position held by Walsh relative to any proposed NASCAR or other events to be held at the Fairgrounds campus pursuant to the proposed BMS lease. Walsh does not wish to insert itself into either body's approval process because any decision on how best to utilize the campus facilities is the sole province of the people of Nashville and their representatives.

Sincerely,

Mary K. Cavarra
Walsh Management LLC
Vice President

Attachment 1

Walsh Management LLC acknowledges that the following procedures, in general, reflect the current processes followed in accordance with MLS Stadium Operation – Term Sheet between Walsh Management LLC and the Fair Board. Certain terms described in this document are specific to the proposed BMS transaction currently being considered by the Fair Board. All campus partners will exercise good faith in scheduling events and venue uses as to not intentionally obstruct business or operations but with full intent to maximize everyone’s use and access of the campus subject to existing agreements.

Parties agree to coordinate with Fairgrounds Nashville in performing its authorized use and operation of the Premises in a manner consistent with the terms and conditions of this document.

Scheduling language:

- Fairgrounds will maintain master shared calendar and provide read access to that information to all campus partners.
- Bristol to provide a schedule to The Fairgrounds Nashville for races and major campus-wide events (including CVB events) by June 25.
- Fairgrounds will identify event dates that are unavailable for Expo use due to longevity, size, and pre-existing commitments and will provide BMS race dates and major event date requests along with its event dates by July 1 each year to Nashville SC for the upcoming year’s schedule.
- The Fairgrounds Nashville will provide NSC an updated event calendar by September 2.
- NSC will provide game schedule to Fairgrounds and campus partners by January 31.
- Campus partners will collaborate to resolve any conflicts for events scheduled after January 31.
- All campus partners will participate in scheduling discussions and, should any conflicts be revealed, it is agreed that the following approach will be taken, subject to existing agreements:
 - The Fairgrounds will work with partners to resolve any event/game conflict.
 - Host all events in the same day by adjusting times (public access), space/parking availability.
 - If events cannot coexist on the days submitted – attempt to reschedule to another day.
 - If neither party is able to reschedule:

Factors to be considered may include:

- Is alternate year scheduling an option?
- Is the event broadcasted?
- What adjustments can be made to host simultaneously?

Same date conflict process:

- Soft holds/tentative dates will be placed in the master calendar as they are communicated on a first-come-first served basis. Multiple soft holds may be placed on the calendar for the same dates and a numbering system will be used to document the order they were added.
 - Soft holds may be added when a potential event is identified which may be up to 18 months in advance. The parties will take a reasonable approach in identifying soft hold events.
 - The first soft hold/tentative dates will have priority to transition to a firm hold/booking and reserve the date(s). If the second soft hold is able to transition to a firm hold before the first hold, the first soft hold will be given an opportunity to secure the event (firm hold/booking). If unable to firm the date, the second soft hold will be authorized to secure their event.
- In the event of a scheduling dispute that cannot be amicably resolved by the parties, Bristol and NSC covenant to work with the Executive Director of Fairgrounds Nashville and other third parties (ie., NASCAR, MLS, etc), diligently and in good faith to resolve such scheduling conflicts.

Parking Coordination:

- Partners recognize the need for parking related to Fairgrounds Nashville events that may occur simultaneously with Stadium and Speedway Events. Fairgrounds Nashville shall have the right to the use of parking in the lot (and future parking garage, if constructed) adjacent to the exposition center at all times, including during Stadium and Speedway Events. Any parking not needed by the Fairgrounds Nashville during Stadium and Speedway Events shall be made available to partners for Stadium and Speedway Event parking.
- Use and access of lots 8,10, 11 negotiated separately between NSC and BMS. Good faith efforts from all to coordinate use with permission not unreasonably withheld.

Event Coordination:

- The parties will cooperate in seeking opportunities for joint marketing of campus events.
- The parties will communicate about and cooperate on campus roadway closure requests.

**The Metropolitan Government of Nashville and Davidson County
by and through The Metropolitan Board of Fair Commissioners**

Lessor

And

**The Sports Authority of the
Metropolitan Government of
Nashville and Davidson County**

Lessee

[_____], 2023

This Master Lease (this “Master Lease”) is entered into this [_____], 2023 (the “Effective Date”), by and between The Metropolitan Government of Nashville and Davidson County (the “Metropolitan Government”), by and through The Metropolitan Board of Fair Commissioners, (“Lessor”) and The Sports Authority of the Metropolitan Government of Nashville and Davidson County (“Lessee”).

Recitals

1. The Lessor is a public corporation established by Charter adopted by referendum vote on June 28, 1962, in conformity with the laws of the State of Tennessee.

2. The Lessee is a public nonprofit corporation and a public instrumentality of the Metropolitan Government created pursuant to the laws of the State of Tennessee.

3. Pursuant to Section 7-67-109 of the Tennessee Code Annotated, the Lessee has the express power to acquire land by lease in order to operate a project such as a sports and recreation facility.

4. Pursuant to Section 7-67-111 of the Tennessee Code Annotated, the Lessor is permitted to convey land by lease to the Lessee.

5. The Metropolitan Government by and through the Lessor owns the existing Nashville Fairgrounds Speedway (the “Existing Speedway”) located on a portion of the Nashville Fairgrounds at 300 Rains Avenue, Nashville, Tennessee, as more fully described herein (the “Speedway Site”).

6. The Metropolitan County Council on [_____, 2023], adopted Ordinance No. BL2023-[_____] conditionally approving the issuance by the Lessee of its Revenue Bonds (Speedway Project), Series 2023 (the “Bonds”) to provide funds for the demolition of the Existing Speedway and the design and construction of a new speedway with a new motorsport racetrack, infield, grandstands, buildings, parking areas and all related amenities, signage, fixtures and other necessary and customary items at the Speedway Site (the “Speedway Facility”).

7. The Lessee shall pay a portion of the proceeds of the Bonds to the Metropolitan Government as a one-time rental payment under this Master Lease in order to facilitate the financing of the demolition of the Existing Speedway and the design, construction, installation, equipping and furnishing of the Speedway Facility and all improvements appurtenant thereto or comprising a part of any of the same (collectively the “Project”).

8. Concurrently with the execution of this Master Lease and the issuance of the Bonds, the Lessee shall lease the Project Property (as hereinafter defined) back to the Metropolitan Government, by and through the Lessor, pursuant to a Master Sublease of even date herewith (the “Master Sublease”), and the Metropolitan Government, by and through the Lessor, shall use the rental payment from the Lessee hereunder for the Project.

9. The Metropolitan Government, Lessor and Lessee have determined that the Project will encourage and foster economic development and prosperity for the Metropolitan Government, and will provide recreational and other opportunities for the residents of the State of Tennessee and Nashville and Davidson County.

NOW, THEREFORE, IN CONSIDERATION of the premises and their mutual undertakings as herein set forth and other good and valuable consideration, the Metropolitan Government, by and through the Lessor, and the Lessee, do hereby agree as follows:

SECTION 1. Master Lease by Lessor to Lessee. The Metropolitan Government, by and through the Lessor, does hereby lease and demise to the Lessee and the Lessee does hereby let from the Metropolitan Government, by and through the Lessor, for and during the lease term hereinafter provided, (i) the Speedway Site as more particularly described and depicted in Exhibit A, which is incorporated herein and made part hereof by this reference, together with any and all appurtenances thereunder belonging (the “Land”), and (ii) all improvements, buildings and structures, including without limitation, the Speedway Facility, located on the Land (the “Improvements”) and any and all furniture, fixtures and equipment located on the Land or in the Improvements (the “Equipment”; together with the Land and the Improvements, the “Project Property”). This Master Lease is entered into and the leasehold estate hereby created is made upon and subject to the terms and conditions contained herein.

SECTION 2. Term. The term of this Master Lease shall begin on the Effective Date and continue for 40 years, or until the Bonds have been paid in full, whichever is earlier.

SECTION 3. Rent. Lessee shall pay to the Metropolitan Government, by and through the Lessor, a one-time rental payment with respect to this Master Lease on the Effective Date in the amount of \$[_____].

SECTION 4. Improvements and Uses. The Lessee shall lease the Project Property back to the Metropolitan Government, by and through the Lessor, pursuant to the Master Sublease, and the Metropolitan Government, by and through the Lessor, shall cause the renovation of the Speedway Facility as provided in the Master Sublease. The Speedway Facility shall be used for the purposes of a sports authority determined in Title 7, Part 67 of the Tennessee Code Annotated. The Metropolitan Government, by and through the Lessor, hereby stipulates and agrees that the uses set forth in the Speedway Lease (defined below) are in compliance with the terms of this Master Lease and with the uses as determined in Title 7, Part 67 of the Tennessee Code Annotated. Lessee covenants and agrees that it will use said Project Property for lawful purposes at all times.

SECTION 5. No Warranty. Lessee has inspected the Project Property and agrees to accept the conditions of the Project Property, without any representation or warranty on the part of the Lessor, in an “as is” condition. Subject to the terms of the Master Sublease, the Lessee assumes the responsibility of the condition, operation, maintenance and management of the Project Property.

SECTION 6. Benefit and Assignment and Subletting. The provisions of this Master Lease shall inure to the benefit of and shall be binding upon the respective successors and assigns of the parties hereto. Neither this Master Lease nor any of the rights and obligations of the Lessee hereunder shall be assigned or transferred to any person, firm or corporation without the prior written consent of the Metropolitan Government, by and through the Lessor, which consent shall be approved by resolution of the Metropolitan Council. Any assignment or transfer shall not release Lessee from its obligations hereunder. Any approved assignee or transferee shall assume each and every obligation of Lessee hereunder, and the Metropolitan Government, by and through the Lessor, may deal with, contract with, and accept rent from any such assignee without waiving any of its rights hereunder. Notwithstanding the foregoing, the Metropolitan Government’s consent is not required in connection with the execution of the Master Sublease.

SECTION 7. Master Sublease; Speedway Lease Agreement. The Metropolitan Government, by and through the Lessor, and Lessee each acknowledge that they have entered into the Master Sublease concurrently with this Master Lease and that the Metropolitan Government, by and through the Lessor, will enter into that certain Lease Agreement (the “Speedway Lease”), dated on or about the date hereof, with Bristol Motor Speedway, LLC (the “Operator”), pursuant to which the Metropolitan Government, by and through the Lessor, will grant certain rights in favor of the Operator as more particularly set forth therein.

SECTION 8. Bonds. The Lessee shall issue the Bonds in accordance with the Indenture, and shall pay a portion of the proceeds of the Bonds to the Metropolitan Government, by and through the Lessor, as a one-time rent payment hereunder in accordance with Section 3 hereof.

SECTION 9. Mechanic’s Liens. Notice is hereby given that the Metropolitan Government, by and through the Lessor, shall not be liable for any labor or materials furnished or to be furnished to the Project Property upon credit, and that no mechanic’s or other lien for any such labor or materials shall attach to or affect the reversion or other estate or interest of the the Metropolitan Government, by and through the Lessor, in and to the Project Property. No work, services, materials or labor provided to the Lessee by any third party in connection with this Master Lease shall be deemed to be for the benefit of Lessor. If any lien shall at any time be filed against the Project Property by reason of the Lessee’s failure to pay for any work, services, materials or labor provided to the Lessee by any third party, or alleged to have been so provided, the Lessee shall immediately cause the same to be discharged of record, except that if Lessee desires to contest any such lien, it may do so as long as any such contest is in good faith. In the event the Lessee fails to cause any such lien to be discharged of record within forty-five (45) days after it receives notice thereof, Lessor may discharge the same by paying the amount claimed to be due, with the understanding that Lessor is under no obligation to do so. In the event the Metropolitan Government, by and through the Lessor, shall discharge any lien on behalf of Lessee, Lessee agrees to immediately reimburse Lessor for such amount (plus Lessor’s actual, reasonable out-of-pocket costs and attorneys’ fees).

SECTION 10. Default. In the event either of the parties hereto shall fail to perform any of its obligations hereunder or shall become unable to perform by reason of bankruptcy, insolvency, receivership or other similar event, then the non-defaulting party may seek specific performance, mandamus or other extraordinary relief to compel the defaulting party to perform hereunder, and such equitable remedies shall be the exclusive remedies hereunder.

SECTION 11. Termination. Upon expiration of the term of this Master Lease, Lessee and any lien holder holding an interest or lien against the Project Property shall be finally and permanently divested of any and all interest in the Project Property so that the Lessor shall hold the Project Property with only the same restrictions and conditions as existed prior to the execution of this Master Lease and any reasonable and customary covenants, conditions, restrictions, easements or other encumbrances deemed necessary or desirable by Lessee for improvements to the Project Property. Lessee shall quietly and peacefully surrender the Project Property to the Metropolitan Government, by and through the Lessor, and the Metropolitan Government, by and through the Lessor, may without further notice re-enter the Project Property and possess and repossess itself thereof and may dispossess Lessee and remove Lessee and may have, hold and enjoy the Project Property and the right to receive all rental and other income of and from the same. Notwithstanding the foregoing, in no event may this Master Lease be terminated unless and until (i) the Bonds are no longer outstanding under the Indenture and (ii) the Master Sublease is concurrently terminated.

SECTION 12. Amendments. Subject to any limitations provided in the Indenture, the parties may modify, alter, amend or change any part of this Master Lease by executing a written amendment setting forth the changes made. Such amendment shall become effective after it has been approved in writing by Lessee and by the Metropolitan Government, by and through the Lessor.

SECTION 13. Net Master Lease. The parties agree that this Master Lease is a net Master Lease, with rent to be paid without adjustment or set-off, except as may be provided herein.

SECTION 14. Notice. All notices and demands required or desired to be given by either party to the other pursuant to this Master Lease shall be in writing and shall be delivered personally, sent by commercial overnight courier service, prepaid, or sent by United States registered or certified mail, return receipt requested, postage prepaid, to the addresses provided below:

Either party may change its address for receipt of notices by giving notice of such change to the other party in accordance herewith.

SECTION 15. Non-Discrimination. Lessee shall not discriminate on the basis of race, color, political, or religious opinion or affiliation, creed, age, physical or mental handicap, sex, marital status, ancestry, national origin, or sexual preference/orientation. Lessee shall comply with all applicable laws pertaining to discrimination in employment, unlawful employment practices, and affirmative action.

SECTION 16. Severability. The invalidity of any provision of this Master Lease shall not impair or affect in any manner the validity, enforceability, or effect of the remaining provisions of this Master Lease.

SECTION 17. Governing Law; Consent to Jurisdiction. This Master Lease shall be governed by and construed in accordance with the laws of the State of Tennessee. The parties hereby agree that any suit, action or proceeding may be instituted with respect to this Master Lease in any federal or state court in Davidson County, Tennessee. The parties hereby consent to *in personam* jurisdiction of such courts and irrevocably wave any objection and any right of immunity on the ground of venue, the convenience of forum, or the jurisdiction of such courts, or from the execution of judgments resulting therefrom.

SECTION 18. Exhibits. The Metropolitan Government, by and through the Lessor, and the Lessee hereby acknowledge and agree that all exhibits referenced in this Master Lease are attached hereto and incorporated herein by reference.

SECTION 19. Captions. The captions of this Master Lease are for convenience and reference only and in no way define, limit or describe the scope or intent of this Master Lease.

SECTION 20. Entire Agreement. This Master Lease and the referenced Exhibits hereto, each of which is incorporated herein, constitutes the entire understanding and agreement of the parties with respect to the subject matter of this Master Lease. This Master Lease integrates all of the terms and conditions mentioned herein or incidental hereto and supersedes all negotiations or previous agreements between the parties with respect to all or any part of the subject matter hereof.

SECTION 21. Authority to Contract. The signatures on this Master Lease herein warrant that Lessee and the Metropolitan Government, by and through the Lessor, have the requisite power and authority to enter into and enforce this Master Lease.

[Remainder of Page Intentionally Left Blank]

In Witness Whereof, the parties have executed this Master Lease as of the date and year set forth above.

Master Sublease

Between

**The Sports Authority of the
Metropolitan Government of
Nashville and Davidson County**

Sublessor

And

**The Metropolitan Government of Nashville and Davidson County
by and through The Metropolitan Board of Fair Commissioners**

Sublessee

[_____], 2023

This Master Sublease (this “Master Sublease”) is entered into this [_____], 2023 (the “Effective Date”), by and between, The Sports Authority of the Metropolitan Government of Nashville and Davidson County (“Sublessor”) and The Metropolitan Government of Nashville and Davidson County (the “Metropolitan Government”), by and through The Metropolitan Board of Fair Commissioners (“Sublessee”).

Recitals

1. The Sublessee is a public corporation established by Charter adopted by referendum vote on June 28, 1962, in conformity with the laws of the State of Tennessee.

2. The Sublessor is a public nonprofit corporation and a public instrumentality of the Metropolitan Government created pursuant to the laws of the State of Tennessee.

3. Pursuant to Section 7-67-109 of the Tennessee Code Annotated, the Sublessor has the express power to convey land by lease to the Sublessee.

4. Pursuant to Section 7-67-116 of the Tennessee Code Annotated, the Sublessee is permitted to acquire land by lease from the Sublessor to aid or otherwise provide assistance to the Sublessor.

5. The Metropolitan Government by and through the Sublessee owns the existing Nashville Fairgrounds Speedway (the “Existing Speedway”) located on a portion of the Nashville Fairgrounds at 300 Rains Avenue, Nashville, Tennessee, as more fully described herein (the “Speedway Site”).

6. The Metropolitan County Council on [_____, 2023], adopted Ordinance No. BL2023-[_____] conditionally approving the issuance by the Sublessor of its Revenue Bonds (Speedway Project), Series 2023 (the “Bonds”) to provide funds for the demolition of the Existing Speedway and the design and construction of a new speedway with a new motorsport racetrack, infield, grandstands, buildings, parking areas and all related amenities, signage, fixtures and other necessary and customary items at the Speedway Site (the “Speedway Facility”).

7. Concurrently with the execution of this Master Sublease and the issuance of the Bonds, the Sublessor and the Metropolitan Government, by and through the Sublessee, have entered into a Master Lease (the “Master Lease”) pursuant to which the Sublessor has agreed to pay a portion of the proceeds of the Bonds to the Metropolitan Government as a one-time rental payment under the Master Lease, which such payment the Metropolitan Government, by and through the Sublessee, shall use to finance the demolition of the Existing Speedway and the design, construction, installation, equipping and furnishing of the Speedway Facility and all improvements appurtenant thereto or comprising a part of any of the same (collectively the “Project”).

8. The Metropolitan Government, Sublessor and Sublessee have determined that the Project will encourage and foster economic development and prosperity for the Metropolitan Government, and will provide recreational and other opportunities for the residents of the State of Tennessee and Nashville and Davidson County.

NOW, THEREFORE, IN CONSIDERATION of the premises and their mutual undertakings as herein set forth and other good and valuable consideration, the Sublessor and the Metropolitan Government, by and through the Sublessee, do hereby agree as follows:

SECTION 1. Master Sublease by Sublessor to Sublessee. The Sublessor does hereby sublease and demise to the Metropolitan Government, by and through the Sublessee, and the Metropolitan Government, by and through the Sublessee, does hereby sublet from the Sublessor, for and during the lease term hereinafter provided, (i) the Speedway Site as more particularly described and depicted in **Exhibit A**, which is incorporated herein and made part hereof by this reference, together with any and all appurtenances thereunder belonging (the “Land”), and (ii) all improvements, buildings and structures, including without limitation, the Speedway Facility, located on the Land (the “Improvements”) and any and all furniture, fixtures and equipment located on the Land or in the Improvements (the “Equipment”; together with the Land and the Improvements, the “Project Property”). This Master Sublease is entered into and the leasehold estate hereby created is made upon and subject to the terms and conditions contained herein.

SECTION 2. Term. The term of this Master Sublease shall begin on the Effective Date and continue for 40 years, or until the Bonds have been paid in full, whichever is earlier.

SECTION 3. Rent; Application of Rent in Excess of Bond Requirements. Commencing [_____], and continuing on each [_____] thereafter, the Metropolitan Government, by and through the Sublessee, shall pay to the Sublessor as rent with respect to this Master Sublease all funds the Metropolitan Government, by and through the Sublessee, receives from the following sources (collectively, the “Revenues”): (a) all rent and other payments made by Bristol Motor Speedway, LLC (the “Operator”) pursuant to the terms of the Lease Agreement (the “Speedway Lease”), dated on or about the date hereof, between the Metropolitan Government, by and through the Sublessee, and the Operator, and (b) all state and local sales tax revenues remitted to the Metropolitan Government pursuant to T.C.A Sections 67-6-103(d)(1)(A)(vii) and 67-6-712; provided, however, the Metropolitan Government, by and through the Sublessee, may withhold from the Revenues for each fiscal year the amount payable by the Operator as Additional Guaranteed Rent pursuant to Section 3(b) of the Speedway Lease. For the avoidance of doubt, the Metropolitan Government, by and through the Sublessee, shall have no obligation to pay rent hereunder beyond payment to the Sublessor of the Revenues it receives from the foregoing sources. The Metropolitan Government, by and through the Sublessee, acknowledges and consents to the Sublessor’s assignment of the Revenues for the repayment of the Bonds as provided in that certain Indenture of Trust dated as of [_____, 2023] (the “Indenture”). Sublessor shall at all times ensure that the Indenture provides that all Revenues in excess of amounts needed to fund the payment of debt service on the Bonds and fund a debt service reserve fund therefor shall be applied and made available for the purposes and in the amounts described in the Speedway Lease.

SECTION 4. Improvements and Uses. The Metropolitan Government, by and through the Sublessee, shall, at its sole cost and expense, complete the Project in accordance with the plans and terms set forth in that certain Speedway Development Agreement dated as of [_____, 2023] and the Speedway Lease. The Speedway Facility shall be used for the purposes of a sports authority determined in Title 7, Part 67 of the Tennessee Code Annotated. Sublessor hereby stipulates and agrees that the uses set forth in the Speedway Lease (defined below) are in compliance with the terms of this Agreement and with the uses as determined in Title 7, Part 67 of the Tennessee Code Annotated. The Metropolitan Government, by and through the Sublessee, covenants and agrees that it will use said Project Property for lawful purposes at all times.

SECTION 5. No Warranty. The Metropolitan Government, by and through the Sublessee, has inspected the Project Property and agrees to accept the conditions of the Project Property, without any representation or warranty on the part of the Sublessor, in an “as is” condition. Subject to the terms of the Master Sublease, the Sublessee assumes the responsibility of the condition, operation, maintenance and management of the Project Property.

SECTION 6. Benefit and Assignment and Subletting. The provisions of this Master Sublease shall inure to the benefit of and shall be binding upon the respective successors and assigns of the parties hereto. Neither this Master Sublease nor any of the rights and obligations of the Metropolitan Government, by and through the Sublessee, hereunder shall be assigned or transferred to any person, firm or corporation without the prior written consent of the Sublessor, which consent shall not be unreasonably withheld. Any assignment or transfer shall not release the Metropolitan Government, by and through the Sublessee, from its obligations hereunder. Any approved assignee or transferee shall assume each and every obligation of the Metropolitan Government, by and through the Sublessee, hereunder, and Sublessor may deal with, contract with, and accept rent from any such assignee without waiving any of its rights hereunder. Notwithstanding the foregoing, the Sublessor’s consent is not required in connection with the Speedway Lease or any other sublease, license, occupancy, concession, advertising, service, maintenance or other agreement (each, a “Sublease” and collectively, “Subleases”, as applicable) of all or any portion of the Project Property entered into by the Sublessee, as lessor or licensor thereunder. The Metropolitan Government, by and through the Sublessee, is expressly permitted to enter into a Subleases of the Project Property in whole or in part as necessary or desired for the management and operation of the Project Property and such Sublease shall not require any approval or consent of Sublessor. Any Sublease shall be specifically subject to the terms and conditions of this Master Sublease. A Sublease shall not release The Metropolitan Government, by and through the Sublessee, from its obligations hereunder.

SECTION 7. Master Lease; Speedway Lease Agreement. Sublessor and the Metropolitan Government, by and through the Sublessee, each acknowledge that they have entered into the Master Lease concurrently with this Master Sublease and that the Metropolitan Government, by and through the Sublessee, will enter into the Speedway Lease, pursuant to which the Metropolitan Government, by and through the Sublessee, will grant certain rights in favor of the Operator, as more particularly set forth therein. Sublessor hereby consents to the Speedway Lease and the terms and provisions contained therein and acknowledges and agrees that the Speedway Lease shall be deemed a Sublease hereunder, subject to all the rights and protections in favor of Subleases contained herein. Upon the Metropolitan Government's reasonable request, Sublessor shall execute, acknowledge and deliver to and for the benefit of the Operator a commercially reasonable recognition, non-disturbance and attornment agreement, by and among Sublessor, the Metropolitan Government, by and through the Sublessee, and the Operator.

SECTION 8. Bonds. The Sublessor shall issue the Bonds in accordance with the Indenture, and shall pay a portion of the proceeds of the Bonds to the Sublessee as a one-time rent payment in accordance with the Master Lease. The Metropolitan Government, by and through the Sublessee, shall use the rent paid to it under the Master Lease to complete the Project as provided in Section 4 hereof.

SECTION 9. Mechanic's Liens. Notice is hereby given that Sublessor shall not be liable for any labor or materials furnished or to be furnished to the Project Property upon credit, and that no mechanic's or other lien for any such labor or materials shall attach to or affect the reversion or other estate or interest of the Sublessor in and to the Project Property. No work, services, materials or labor provided to the Metropolitan Government, by and through the Sublessee, by any third party in connection with this Master Sublease shall be deemed to be for the benefit of Sublessor. If any lien shall at any time be filed against the Project Property by reason of the Metropolitan Government's, by and through the Sublessee, failure to pay for any work, services, materials or labor provided to the Metropolitan Government, by and through the Sublessee, by any third party, or alleged to have been so provided, the Metropolitan Government, by and through the Sublessee, shall immediately cause the same to be discharged of record, except that if the Metropolitan Government, by and through the Sublessee, desires to contest any such lien, it may do so as long as any such contest is in good faith. In the event the Metropolitan Government, by and through the Sublessee, fails to cause any such lien to be discharged of record within forty-five (45) days after it receives notice thereof, Sublessor may discharge the same by paying the amount claimed to be due, with the understanding that Sublessor is under no obligation to do so. In the event Sublessor shall discharge any lien on behalf of Sublessee, the Metropolitan Government, by and through the Sublessee, agrees to immediately reimburse Sublessor for such amount (plus Sublessor's actual, reasonable out-of-pocket costs and attorneys' fees).

SECTION 10. Default. In the event either of the parties hereto shall fail to perform any of its obligations hereunder or shall become unable to perform by reason of bankruptcy, insolvency, receivership or other similar event, then the non-defaulting party may seek specific performance, mandamus or other extraordinary relief to compel the defaulting party to perform hereunder, and such equitable remedies shall be the exclusive remedies hereunder.

SECTION 11. Termination. Upon expiration of the term of this Master Sublease, the Metropolitan Government, by and through the Sublessee, and any lien holder holding an interest or lien against the Project Property shall be finally and permanently divested of any and all interest in the Project Property so that the Sublessor shall hold the Project Property with only the same restrictions and conditions as existed prior to the execution of this Master Sublease and any reasonable and customary covenants, conditions, restrictions, easements or other encumbrances deemed necessary or desirable by Sublessee for improvements to the Project Property. The Metropolitan Government, by and through the Sublessee, shall quietly and peacefully surrender the Project Property to Sublessor, and Sublessor may without further notice re-enter the Project Property and possess and repossess itself thereof and may dispossess Sublessee and remove Sublessee and may have, hold and enjoy the Project Property and the right to receive all rental and other income of and from the same. Notwithstanding the foregoing, in no event may this Master Sublease be terminated unless and until (i) the Bonds are no longer outstanding under the Indenture and (ii) the Master Lease is concurrently terminated.

SECTION 12. Amendments. Subject to any limitations provided in the Indenture, the parties may modify, alter, amend or change any part of this Master Sublease by executing a written amendment setting forth the changes made. Such amendment shall become effective after it has been approved in writing by the Metropolitan Government, by and through the Sublessee, and by Sublessor.

SECTION 13. Net Master Sublease. The parties agree that this Master Sublease is a net Master Sublease, with rent to be paid without adjustment or set-off, except as may be provided herein.

SECTION 16. Severability. The invalidity of any provision of this Master Sublease shall not impair or affect in any manner the validity, enforceability, or effect of the remaining provisions of this Master Sublease.

SECTION 17. Governing Law; Consent to Jurisdiction. This Master Sublease shall be governed by and construed in accordance with the laws of the State of Tennessee. The parties hereby agree that any suit, action or proceeding may be instituted with respect to this Master Sublease in any federal or state court in Davidson County, Tennessee. The parties hereby consent to *in personam* jurisdiction of such courts and irrevocably wave any objection and any right of immunity on the ground of venue, the convenience of forum, or the jurisdiction of such courts, or from the execution of judgments resulting therefrom.

SECTION 18. Exhibits. Sublessor and the Metropolitan Government, by and through the Sublessee, hereby acknowledge and agree that all exhibits referenced in this Master Sublease are attached hereto and incorporated herein by reference.

SECTION 19. Captions. The captions of this Master Sublease are for convenience and reference only and in no way define, limit or describe the scope or intent of this Master Sublease.

SECTION 20. Entire Agreement. This Master Sublease and the referenced Exhibits hereto, each of which is incorporated herein, constitutes the entire understanding and agreement of the parties with respect to the subject matter of this Master Sublease. This Master Sublease integrates all of the terms and conditions mentioned herein or incidental hereto and supersedes all negotiations or previous agreements between the parties with respect to all or any part of the subject matter hereof.

SECTION 21. Authority to Contract. The signatures on this Master Sublease herein warrant that the Metropolitan Government, by and through the Sublessee, and Sublessor have the requisite power and authority to enter into and enforce this Master Sublease.

CVC TOURISM PROMOTION AGREEMENT

[see attached]

SPEEDWAY TOURISM PROMOTION AGREEMENT

This Speedway Tourism Promotion Agreement (this “**Agreement**”) by and among Nashville Convention & Visitors Corp (“**CVC**”), a Tennessee Corporation, and Bristol Motor Speedway, LLC, a Tennessee limited liability company (“**Bristol**”), is entered into this 3rd day of November, 2022 (the “**Effective Date**”). CVC and Bristol collectively are referred to herein as the “**Parties**” and individually as a “**Party**.”

WHEREAS, Bristol will enter into a lease agreement with the Metropolitan Government of Nashville and Davidson County (“**Metro**”), acting by and through the Metropolitan Board of Fair Commissioners (“**Fair Board**”), for the lease and operation of the Nashville Fairgrounds Speedway (the “**Speedway Lease**”) consistent with the term sheet dated _____, 20__; and

WHEREAS, the Speedway Lease contemplates the return of NASCAR, the highest level of stock car racing, to the Speedway; and

WHEREAS, pursuant to the development agreement dated _____, 20__ between the Fair Board and Bristol (the “**Development Agreement**”), Bristol will make significant upgrades and improvements to the Speedway to enable the facility to accommodate NASCAR races (the “**Project Improvements**”); and

WHEREAS, the Sports Authority will issue Federally Taxable Public Improvement Revenue Bonds (Speedway Project), Series 2023, to provide funding for the Project Improvements; and

WHEREAS, Tenn. Code Ann. § 7-4-110 provides that one third of the Metropolitan Government’s Hotel Occupancy Privilege Tax must be used for the direct promotion of tourism; and

WHEREAS, the CVC has a contract with Metro for tourism convention sales and marketing services to be funded through the portion of the Hotel Occupancy Privilege Tax dedicated by Tenn. Code Ann. § 7-4-110 for tourism promotion services (the “**Tourism Promotion Taxes**”); and

WHEREAS, upon completion of the Project Improvements, CVC desires to use a portion of the Speedway for CVC events (“**CVC Events**”) in exchange for an upfront payment of \$17,000,000 and a fixed annual use payment to Bristol of \$650,000 per year, as compensation for certain tourism promotional and use rights granted by Bristol to CVB in the Speedway; and

WHEREAS, use of the Speedway for CVC events will directly promote tourism in Nashville and Davidson County.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, the Parties agree as follows:

1. **Definitions.** The following terms used in this Agreement shall have the meanings hereinafter set forth:

“Approvals” shall mean all permits, licenses, zoning changes, environmental clearances, or approvals of any Governmental Authority, and material third party consents and other matters related to the Project Improvements Work or Completion of the Speedway.

“Authority” means The Sports Authority of The Metropolitan Government of Nashville and Davidson County.

“Authority Bonds” means the Authority’s Federally Taxable Public Improvement Revenue Bonds (Speedway Project), Series 2023.

“Bristol Events” means events hosted by Bristol or its affiliates or invitees at the Speedway.

“Completion” shall mean that (i) the Project Improvements have unconditionally received all Approvals necessary to permit occupancy and use of the Speedway and all material facilities therein for Motorsports Events at full capacity and (ii) the Speedway has been constructed, equipped and fixtured in accordance with the Final Plans.

“CVC” means the Nashville Convention & Visitors Bureau, a Tennessee nonprofit corporation, d/b/a Nashville Convention and Visitors Corp.

“CVC Events” means events held at the Speedway that are either hosted directly by the CVC, or hosted by Bristol as a result of CVC functioning as a recruiter for connecting the event promoter with Bristol, which events are intended to bring out-of-town visitors to Nashville and/or promote tourism in Nashville. Each event hosted by the CVC, or brought to Bristol by the CVC, shall be contracted for separately with Bristol either through the CVC directly or through the promoter of the CVC Event.

“Development Agreement” shall mean the agreement between Bristol and the Metropolitan Government for the Project Improvements.

“Effective Date” shall have the meaning set forth in the preamble of this Agreement.

“Fair Board” shall mean the Metropolitan Board of Fair Commissioners.

“Governmental Authority” shall mean any federal, state, county, city, local or other government or political subdivision or any agency, authority, board, bureau, commission, department or instrumentality thereof.

“Metro” shall mean the Metropolitan Government of Nashville and Davidson County.

“NASCAR” means NASCAR Event Management, LLC, a Florida limited liability company.

“Party” and **“Parties”** shall have the meaning set forth in the preamble of this Agreement.

“Person” or “Persons” shall mean any individual, corporation, partnership, joint venture, association, joint stock company, trust, limited liability company, unincorporated organization, Governmental Authority or any other form of entity.

“Pre-Development Expenses” shall mean expenses incurred prior to Commencement of Construction pertaining to Project planning, design, engineering, environmental assessments, Project advisor costs, and legal expenses.

“Project” shall mean the design, construction, installation, equipping and furnishing of the Project Improvements.

“Project Improvements” shall mean, collectively, the Speedway (including all Speedway-related furniture, fixtures and equipment and all concession improvements) and all improvements appurtenant thereto or comprising a part of any of the same (including all pre-construction infrastructure improvements) and all appurtenances and amenities relating to any of the same, all as are more fully described in the Preliminary Plans and the Final Plans.

“Project Improvements Work” shall mean the design, development, construction, and furnishing of the Project Improvements in accordance with this Agreement and any demolition, site clearance and excavation work in connection therewith.

“Speedway” shall mean a motorsport racetrack containing not less than 30,000 seats and including all appropriate amenities, signage, fixtures and other necessary and customary items. The Speedway shall include all structures and areas within the Speedway footprint, including, but not limited to, grandstands, racing surface, infield and buildings. The Speedway shall be located in the Nashville Fairgrounds.

“Speedway Lease” shall have the meaning set forth in the preamble of this Agreement.

“Speedway Premises” shall mean the Speedway and the event spaces and offices associated therewith.

2. **Funding.**

(a) Within five business days of the Effective Date of this Agreement, CVC shall pay the sum of \$17,000,000 to the Fair Board (the **“Upfront Payment”**) to be used solely for Pre-Development Expenses and the Project Improvements Work.

(b) It is anticipated that the Predevelopment Expenses will be approximately \$6,000,000. CVC agrees that a portion of the Upfront Payment may be used to pay Pre-Development Expenses in accordance with the terms of the Development Agreement.

3. **Construction of Project Improvements.**

(a) **Construction Responsibilities.** Bristol shall cause the Project Improvements to be constructed.

(b) Access to Speedway Property. During the course of construction of the Project Improvements, CVC and its representatives shall have the right, from time to time, to enter the Premises to view the progress of the construction work, with 24 hours advance notice to Bristol and provided that any such progress inspection shall not materially interfere with such work.

4. Use of Speedway Premises; Use Fee; Tax Collections.

(a) Within 30 days of being notified by Bristol that Bristol is occupying the Speedway after the completion of the Project Improvements, CVC shall make the first of 30 annual payments in the amount of \$650,000 (the "CVC Annual Payment"). The second CVC Annual Payment, and each subsequent CVC Annual Payment, shall be due on the first day of July. The CVC shall make each CVC Annual Payment regardless of the number of days actually used for CVC Events. The CVC Annual Payments shall be paid by the CVC to the Fair Board.

(b) CVC shall be entitled to use the Speedway Premises up to 20 days per year (CVC Events"). CVC shall schedule CVC Events in accordance with the provisions of section 5 of this Agreement. *(exclusive of mutually agreed upon "make-in & make-out" days)*

(c) CVC shall not contract its rights to hold a CVC Event to a third party without the written consent of Bristol, which consent shall not be unreasonably withheld, delayed, or denied.

(d) All applicable ticket taxes and sales taxes to be collected for the sale of tickets to CVC Events shall be collected and remitted by the entity responsible for selling the tickets.

5. Scheduling.

Bristol and CVC agree to work together in good faith to schedule CVC Events at the Speedway provided such events do not materially interfere with Bristol Events or other events previously scheduled at the Fairgrounds. In order to facilitate scheduling of CVC Events, CVC agrees to work with Bristol to schedule events for each calendar year by July 1 of the immediately preceding calendar year when possible. It is understood and agreed by the parties that certain events at the Fairgrounds will have priority for scheduling and that all parties will work in good faith to schedule CVC Events.

6. Expenses.

In addition to the CVC Annual Payment, CVC shall reimburse Bristol for its actual expenses incurred as a result of CVC Events including salaries of Bristol's employees, security, janitorial, utility expenses, and the provision of food and beverage concessions.

7. Revenues.

(a) CVC shall be entitled to all revenues generated from ticket sales for CVC Events.

(b) CVC shall only use food and beverage contractors selected by Bristol without Bristol's prior written consent.

8. Insurance.

CVC shall procure and maintain commercial general liability insurance (on an "occurrence" basis form) for any third-party liability arising in connection with any CVC Events with a single combined minimum limit coverage of Five Million Dollars and 00/100 (\$5,000,000.00). CVC shall

provide certificates of insurance in such manner as is acceptable to Bristol. Bristol and Metro shall be named an additional insured on all policies with respect to CVC's use of the Speedway Premises. CVC shall provide to Bristol such evidence of compliance with this insurance requirement as Bristol may from time to time request. Bristol may also require copies of the declaration page, insurance policy and endorsements.

9. **Termination of Agreement.**

CVC may terminate this agreement with 90 days written notice to Bristol if Bristol fails to complete the Project Improvements in accordance with the Development Agreement, which shall constitute an Event of Default under Section 14 of this Agreement.

10. **Counterparts.**

This Agreement may be executed in multiple counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute one and the same instrument. The signatures of all of the Parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or electronic mail is as effective as executing and delivering this Agreement. This Agreement is effective upon delivery of one executed counterpart from each Party to the other Parties. In proving this Agreement, a Party must produce or account only for the executed counterpart of the Party to be charged.

11. **Electronic Signatures.**

This Agreement may be executed and delivered by facsimile signature or other electronic or digital means (including, without limitation, Adobe's Portable Document Format ("PDF")). Any such signature shall be of the same force and effect as an original signature, it being the express intent of the Parties to create a valid and legally enforceable contract between them. The exchange and delivery of this Agreement and the related signature pages via facsimile or as an attachment to electronic mail (including in PDF) shall constitute effective execution and delivery by the parties and may be used by the parties for all purposes. Notwithstanding the foregoing, at the request of any Party, the Parties hereto agree to exchange inked original replacement signature pages as soon thereafter as reasonably practicable.

12. **Term.**

The term of this Agreement shall commence on the Effective Date and, except as otherwise expressly provided herein, shall expire upon the termination of the Speedway Lease.

13. **Notices.**

Notices required herein shall be deemed properly given via (i) registered or certified mail, postage prepaid, return receipt requested, (ii) nationally recognized overnight courier, or if delivered personally (or by bonded courier), to the address designated for the recipient. Notice shall be effective on the date of receipt of the notice by the Party being notified. Either Party shall have the right, by giving written notice to the other, to change the address at which its notices are to be received. Until any such change is made, notices to the Parties shall be delivered as follows:

14. **Events of Default.**

(a) **Bristol Default.** It shall be an event of default if Bristol fails to complete the Project Improvements in accordance with the Development Agreement or fails or refuses to cooperate in good faith with CVC regarding the scheduling of CVC Events. If Bristol fails to perform any of its obligations under this Agreement, CVC may give written notice of such default, which notice shall contain a reasonably detailed description of the alleged default(s). Bristol shall correct the default(s) within 30 days after being given such notice; provided, however, if the nature of such default is such that they are not reasonably capable of being corrected within such thirty 30 day period, Bristol shall be allowed a reasonable period of additional time (the "**Bristol Cure Period**") to correct the defaults so long as Bristol promptly commences and diligently pursues such corrections to completion, which Bristol Cure Period shall in no event extend beyond 90 days following the applicable default. If Bristol fails to make such corrections within the Bristol Cure Period, then CVC may, and without prejudice to any other remedy, declare that a "Bristol Default" has occurred under this Agreement and either (1) terminate this Agreement; (2) enter into mediation; or (3) exercise any and all lawful remedies available, including judicial relief.

(b) **CVC Default.** It shall be an event of default if CVC fails to make a CVC Annual Payment or fails to perform any of its obligations under this Agreement. In the event of a CVC Default, Bristol may give written notice of such default(s), which notice shall contain a reasonably detailed description of the alleged defaults. CVC shall correct the default(s) within 30 days after being given such notice; provided, however, if the nature of such default(s) is such that they are not reasonably capable of being corrected within such thirty 30 day period, CVC shall be allowed a reasonable period of additional time (the “**CVC Cure Period**”) to correct the default(s), so long as CVC promptly commences and diligently pursues such corrections to completion, which CVC Cure Period shall in no event extend beyond 90 days following the applicable default. If CVC fails to make such corrections within the CVC Cure Period, then Bristol may, and without prejudice to any other remedy, declare that a “**Bristol Default**” has occurred under this Agreement and either (1) terminate this Agreement; (2) enter into mediation; or (3) exercise any and all lawful remedies available, including judicial relief.

15. Governing Law and Venue. The Parties agree that this Agreement is executed in and is to be performed in the State of Tennessee, and that all provisions of this Agreement and any dispute arising hereunder shall be governed by the laws of the State of Tennessee. Any dispute arising out of this Agreement shall be litigated exclusively in the federal or state courts sitting in Davidson County, Tennessee. The Parties hereby consent to in personam jurisdiction of such courts and irrevocably waive any objection and any right of immunity on the ground of venue, the convenience of forum or the jurisdiction of such courts.

16. Severability. If a court of competent jurisdiction holds that one or more clauses, sections or provisions of this Lease is unlawful, invalid or unenforceable, the Parties hereto agree that all remaining clauses, sections and provisions shall continue in full force and effect.

17. Miscellaneous. This Agreement shall be deemed to be part of the Speedway Lease.

(Signatures appear on the following page)

6. The term “**Bond Construction Proceeds**” means (a) the gross proceeds generated from the sale of the Authority Bonds, minus (b) the sum of (i) costs of issuance of the Authority Bonds (including underwriter’s discount) not to exceed 2% of the par amount of the Authority Bonds, (ii) the amount necessary to fund a debt service reserve fund for the Authority Bonds, which shall equal the maximum annual debt service on the Authority Bonds, and (iii) the amount necessary to fund the scheduled payment of interest on the Authority Bonds through Completion.
7. Included with this Exhibit H is the structure of the Authority Bonds and calculation of the Bond Construction Proceeds, at estimated current rates of interest on the Authority Bonds. The final structure of the Authority Bonds and the final calculation of Bond Construction Proceeds will vary from this example if and to the extent interest rates change between the date hereof and the issue date of the Authority Bonds.
