- (b) Termination for Default. The following shall constitute an event giving rise to a Termination for Default:
 - (i) Lessee has failed to perform its contracted duties and responsibilities hereunder in a timely and proper manner and is unable to cure such failure within the time provided in Section 22(a), or such additional period of time as specified by Lessor, taking into consideration the gravity and nature of the default;
 - (ii) Lessee fails to abide by any applicable laws, ordinances, rules and regulations of the United States, State of Tennessee or the Metropolitan Government of Nashville and Davidson County, and fails to cure such failure within the time provided in Section 22(a) or;
 - (iii) Lessee abandons or discontinues conducting its operations on the Premises.
- (c) Should this Lease be terminated as provided by Section 22(a) hereinabove, Lessor may lease, upon such terms and in such manner as Lessor shall deem appropriate, the Premises, granting rights in the same similar to those terminated, and Lessee shall be liable to Lessor for any costs associated with the reletting of the Premises occasioned by Lessee's breach of this Lease. In addition, Lessee shall be liable to Lessor for administrative costs or other damages occasioned by its breach of the terms of this Lease incurred by Lessor in reletting the Premises.
- (d) The rights and remedies of Lessor provided in Section 22 are non-exclusive and are in addition to any other rights and remedies provided by law or under this Lease. Lessee is not relieved of its liability to Lessor for damages sustained by virtue of a default of this Lease, and Lessor reserves the right to cure any default without terminating this Lease and seek reimbursement for such expenses from Lessee, with the understanding that Lessor is under no obligation to correct any such default. Lessor's exercise of its right to cure shall not act as a waiver of its right to terminate this Lease for default as provided hereunder.
- (e) Termination for Lessee Bankruptcy. It shall be grounds for termination of this Lease upon the following:
 - (i) Should Lessee file a voluntary petition in bankruptcy or be adjudicated bankrupt or insolvent, or shall file any petition or answer seeking any reorganization, arrangement,

composition, readjustment, liquidation, dissolution or similar relief under any present or future bankruptcy or other applicable law, or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Lessee or of all or any substantial part of Lessee's property or its leasehold interest in the Premises, or shall make any general assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due; or

- (ii) (a) A court of competent jurisdiction shall enter an order, judgment or decree approving a petition filed against Lessee seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any present or future bankruptcy or other applicable law, or (b) any trustee, receiver or liquidator of Lessee or of all or any substantial part of Lessee's property or its leasehold interest in the Premises shall be appointed without the consent or acquiescence of Lessee; and such order, judgment, decree or appointment shall remain unvacated or unstayed for an aggregate of sixty (60) days (whether consecutive or nonconsecutive).
- (f) Termination due to Condemnation: If the Premises or any portion thereof are taken under the power of eminent domain, or sold under the threat of the exercise of said power (all of which are herein called "condemnation"), this Lease shall terminate as to the part so taken as of the date the condemning authority takes title or possession, whichever first occurs. If, as a result of a substantial part of the Premises being taken by condemnation, Lessee's access to the Premises being denied or a portion of the parking areas being taken by condemnation (either a permanent taking or temporary taking in excess of one year), and Lessee is thereby unable to operate its school in substantially the same manner as previously operated, Lessee may, at Lessee's option, to be exercised in writing within sixty (60) days after Lessor shall have given Lessee written notice of such taking (or in the absence of such notice, within sixty (60) days after the condemning authority shall have taken possession) terminate this Lease as of the date the condemning authority takes such possession. If Lessee does not terminate this Lease in accordance with the foregoing, this Lease shall remain in full force and effect as to the portion of the Premises remaining and the Lease shall be equitably adjusted, and in the event of any temporary taking of one year or less, Lease shall abate proportionately for the period of such taking to the extent any portion of the Premises is untenable as a result of such temporary taking. Any award for the taking of all or any part of the Premises under the power of eminent domain or any payment made under threat of the exercise of such power shall be the property of Lessor. Lessee shall be entitled to pursue a separate award for loss of or damage to Lessee's trade fixtures and removable personal property, for relocation expenses from such condemning authority, and loss of the Lease of the Premises hereunder. In the event that this Lease is not terminated by reason of such condemnation, Lessor shall, only to the extent of severance damages received by Lessor in connection with such condemnation, repair any damage to the Premises caused by such condemnation.
- (g) Termination for Contract Revocation or Termination. Notwithstanding anything set forth herein to the contrary, this Lease shall terminate automatically if Lessee's right to operate a Charter School is terminated or revoked as of the effective date of such termination or revocation.

SECTION 23. FIRE AND OTHER DAMAGE.

Should structural or permanent portions of the Premises be partially damaged by fire or other casualty, Lessee shall give immediate notice thereof to Lessor and the same shall be repaired at the expense of Lessor without unreasonable delay unless, at Lessor's sole discretion, Lessor determines that repair or rebuilding is not feasible. From the date of such casualty until such area is so repaired, monthly Lease payments hereunder shall be equitably adjusted to reflect the reduction in space; provided, however, that

if an area shall be so slightly injured in any such casualty as not to be rendered unfit for occupancy, the Lease hereunder shall not cease or be abated during any repair period. Should the damages to the area be so extensive as to render it un-tenantable, the Lease for such area shall cease, on a pro-rata basis, until such time that it shall again be tenantable, but in the event of the area being damaged by fire or other casualty to such an extent as to render it necessary in the exclusive judgment of Lessor not to rebuild the same, then, at the option of Lessor or Lessee, and upon ten (10) days' written notice to the other of the damage, this Lease, as it applies to said area, shall be canceled and of no further force or effect. Lessor's obligations to rebuild or repair under this section shall in any event be limited to restoring said area to substantially the condition that existed prior to the commencement of improvements by Lessor.

SECTION 24. NOTICES, PAYMENT OF LEASE AND AGENT FOR SERVICE OF PROCESS.

Notices required herein may be given by registered or certified or express mail by depositing the same in the United States Mail or by private courier in the continental United States, postage prepaid. Either party shall have the right, by giving written notice to the other, to change the address at which its notices are to be received. All Lease shall also be paid to the same address. Until any such change is made, notices to Lessor shall be delivered as follows:

SECTION 25. SURRENDER.

- (a) Upon the expiration or earlier termination of this Lease, Lessee shall peaceably deliver up and surrender the Premises to Lessor in the same condition as on the Commencement Date, normal wear and tear excepted.
- (b) Upon the expiration or earlier termination of this Lease, all permanent alterations, installations, changes, replacements, additions or improvements that (i) have been made by Lessee to the Premises and (ii) cannot be removed without material damage to the remainder of the Premises, shall be deemed a part of the Premises and the same shall not be removed.
- (c) All personal property of Lessor ("Lessor Property") shall remain upon the Premises for the duration of the Term. Upon the expiration or earlier termination of this Lease, all Lessor Property shall remain upon the Premises and shall be deemed to be part of the Premises and the property of Lessor thereafter. Lessee shall surrender all Lessor Property in as good a condition as on the date of receipt, normal wear and tear excepted.

SECTION 26. DEBARMENT AND SUSPENSION.

Lessee certifies, to the best of its knowledge and belief, that it and its Board of Directors:

- (a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
- (b) have not within a three (3) year period preceding this Lease been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
- (c) are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section (a) of this certification; and
- (d) have not within a three (3) year period preceding this Lease had one or more public transactions (federal, state, or local) terminated for cause or default.

Lessee shall provide immediate written notice to MNPS if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, it or its Directors are excluded or disqualified.

SECTION 27. SCHOOL DISTRICT STATUTORY IMMUNITY.

Any other term, covenant, or condition of this Lease to the contrary notwithstanding, the School District, its officers, employees and agents, and the members of the Board of Education, retain their statutory governmental, official, and any other immunity provided pursuant to the laws of the State of Tennessee, including under T.C.A. 29-20-101 et seq., and do not waive the defenses of governmental and official immunity derived from such laws. The School District does not waive for itself or its officers, employees, agents, or for members of the Board of Education, any other defenses or immunities available to it or any of them.

SECTION 28. FORCE MAJEURE.

No party shall have any liability to the other hereunder by reason of any delay or failure to perform any obligation or covenant if the delay or failure to perform is occasioned by force majeure, meaning any act of God, pandemic, storm, fire, casualty, unanticipated work stoppage, strike, lockout, labor dispute, civil disturbance, riot, war, national emergency, act of Government, act of public enemy, or other cause of similar or dissimilar nature beyond its control.

SECTION 29. NOTICE OF CLAIMS.

Any such assignment or transfer shall not release Lessee from its obligations hereunder. Any approved assignee shall assume each and every obligation of Lessee hereunder, and Lessor may contract with or accept moneys from any such assignee without waiving any of its rights.

SECTION 35. ATTORNEY FEES. Intentionally Omitted.**SECTION 36. AMENDMENT.**

RE: Market rent study of Cameron College Preparatory School located at 1034 1st Avenue S.
(aka 1110 1st Avenue S.), Nashville, Tennessee 37210

Dear Mr. Proffitt:

In fulfillment of our agreement as outlined in the Letter of Engagement, McGuigan & Associates, LLC is pleased to transmit an appraisal report including an opinion of the Market Rent of the above referenced real property as of May 25, 2023 on an "As Is" basis. The opinion of rent reported below is qualified by certain assumptions, limiting conditions, certifications, and definitions, which are set forth in the report.

The report will be used by Metropolitan Nashville Public Schools to determine suitable market rent for the subject property. It may not be distributed to or relied upon by other persons or entities without written permission of McGuigan & Associates, LLC. However, Metropolitan Nashville Public Schools may provide only complete, final copies of the consulting report in its entirety (but not component parts) to third parties for review. The appraisers are not required to explain or testify as to consulting results other than to respond to the client for routine and customary questions.

The following appraisal sets forth the most pertinent data gathered, the techniques employed and the reasoning leading to the opinion of rent. The analysis, opinions and conclusions were developed based on, and this report has been prepared in conformance with, our interpretation of the guidelines and recommendations set forth in the *Uniform Standards of Professional Appraisal Practice* (USPAP).

www.mcguiganappraisal.com

Based on the analysis contained in the following report, the Market Rent of the subject property is concluded as follows:

MARKET RENT CONCLUSION

Appraisal Premise	Effective Date	Market Rent Conclusion
As Is	May 25, 2023	\$4.30 per square foot or \$541,091 annually, triple net

The analysis contained in this appraisal is based upon assumptions and estimates that are subject to uncertainty and variation. These estimates are often based on data obtained in interviews with third parties, and such data are not always completely reliable. In addition, we make assumptions as to future behavior of consumers, and the general economy, which are highly uncertain. It is, however, inevitable that some assumptions will not materialize and that unanticipated events may occur which will cause actual achieved operating results to differ from the financial analyses contained in this report, and these differences may be material. Therefore, while our analysis was conscientiously prepared on the basis of our experience, and the data available, we make no warranty of any kind that the conclusions presented will, in fact, be achieved.

We take no responsibility for any events, conditions, or circumstances affecting the market that exists subsequent to the effective date of this appraisal. This letter is invalid as an opinion of value if detached from the report, which contains the text, exhibits, and addenda.

It has been a pleasure to assist you in this assignment. If you have any questions concerning the analysis or if McGuigan & Associates, LLC can be of further service, please contact us.

Purpose of the Appraisal

The purpose of this appraisal is to determine the Market Rent of the subject property.

Intended Use

The intended use of this appraisal is for determining market rent.

Intended User(s)

This report is prepared for the sole use and benefit of the client and only intended user, Metropolitan Nashville Public Schools. Neither this report nor any of the information contained herein shall be used or relied upon for any purpose by any person or entity other than the client. The appraiser is not responsible for the unauthorized use of this report.

Property Interests

This appraisal analyzes the rental interests in the property on an annual basis.

Market Rent Definition

“Market Rent,” as used in this report, per the *Appraisal Institute. The Dictionary of Real Estate Appraisal*, is defined as:

... the most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair lease, the lessor and lessee each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a lease as of a specified under conditions whereby:

- Lessor and lessee are typically motivated;
- Both parties are well informed or well advised, and acting in what they consider their best interests;
- A reasonable time is allowed for exposure in the open market;
- Payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and
- The price represents the normal consideration for the property leased unaffected by special or creative financing or sales concessions granted by anyone associated with the lease.

The appraisal considers the valuation of the subject property with an effective date of May 25, 2023. In determining the valuation of the property, we will consider the market value under conditions prevalent at that time. Establishing the effective date of the appraisal is standard appraisal practice, and it is important to consider because rent is subject to change over time. Aside from possible physical changes to the property, the rent of real estate is also subject to changing economic conditions, under which rent may remain static, increase, or decrease. Additionally, changing policies of governing authorities may impede or encourage development over time.

These limitations are implicit in the definition of “market rent.” For further discussion on this subject, refer to the section of this report entitled “Valuation Procedures and Methodology.” Note that the valuation makes no reduction for commission on sale, unpaid taxes, or liens against the property.

Hypothetical Conditions/Extraordinary Assumptions

This report does not employ any hypothetical conditions or make any extraordinary assumptions.

Scope of Work

According to the Uniform Standards of Professional Appraisal Practice, it is the appraiser's responsibility to determine the appropriate scope of work. USPAP defines the scope of work as:

The amount and type of information researched and the analysis applied in an assignment. Scope of work includes, but is not limited to, the following:

- the degree to which the property is inspected or identified;
- the extent of research into physical or economic factors that could affect the property;
- the extent of data research; and
- the type and extent of analysis applied to arrive at opinions or conclusions.

The following information defines the Scope of Work taken by the appraiser(s):

Report Type:	Appraisal Report
USPAP Reporting Type Description:	We have written this real property appraisal as an Appraisal Report. The content of this Appraisal Report is consistent with the intended use of the appraisal and the guidelines set by Standard Rule 2-2(a).
Inspection:	We have inspected the interior and exterior of the subject property. The inspection date was made as of May 25, 2023.
Market Analysis and Market Conditions:	The subject is located in a stable to increasing market. There are high traffic volumes on the major roads. Demand for all types of property is stable to growing.
Highest and Best Use:	We considered the Highest and Best Use of the property to be institutional uses. Therefore, we have looked for comparable rents with similar institutional uses.
Rental Comparison Analysis:	A rental comparison approach was applied.
Data Collection & Verification:	We have searched CoStar, MLS, and internal data for the most pertinent data. We have verified the found data with secondary sources.

Marketing Period

Given the existing market information from an historic perspective, as well as the anticipated supply line of directly competing product, the appraisers believe that the subject property, at the concluded value of this appraisal, would require a marketing time of 12 months.

Exposure Time

The appraisers have examined the average length of time for similar properties were exposed to the market, and have determined that the average time period in which these properties were exposed to the market was 12 months due to the unique nature of the property.

Market Analysis

We have used the CoStar analytics tool to aid in analyzing the demographics within the subject's immediate market. We have looked at the demographic within a 1-mile, 3-mile, and 5-mile radius of the subject. Each of these segments has experienced significant population growth over the past 10 years. Additionally, population is anticipated to continue to grow in the five-year period going forward. Examining the population figures for school-age children, the subject's market has experienced growth in each age group and within each segment (1-mile, 3-mile, and 5-mile). CoStar analytics projects increases in each age group during the next five years.

Current Subject Lease

The subject property is currently being rented by Cameron College Prep in accordance to a proposed lease that was scheduled to commence on July 14, 2021 and would have been scheduled to expire on July 13, 2031. Per conversations with our contact with Metropolitan Nashville Schools, this proposed lease was never executed/approved by the powers that be. However, it was stated that Cameron College Prep has gone about as if this lease was approved/executed. Cameron College Prep is currently paying \$4.00 per square foot per year. This equates to \$503,340 per year or \$41,945.00 per month. This rental rate is scheduled to increase 3% each year.

We have considered the subject's rental rate to be structured on triple net terms with the tenant being responsible for paying the majority of expenses. The landlord is responsible for a reserve fund for the replacement of short-lived items, grounds maintenance, and refuse collection. The tenant is responsible for building maintenance, janitorial, insurance, and utilities.

The above rental rates are signed lease rates for similar school properties within Middle Tennessee. Rent #3 was adjusted downward to triple net lease terms.

Rents #1 and #2 were considered inferior in location and were adjusted upward. The remaining rents were considered similar in location and were not adjusted.

Each rent was adjusted downward for its respective smaller improvement size.

Rents #2 and #6 were considered superior in condition and were adjusted downward. The remaining rents were considered to be overall similar in condition and were not adjusted.

Rents #1, #3, and #4 were considered inferior/older in age/effective age and were adjusted upward. Rent #2 was considered superior/newer in age/effective age and was adjusted downward. Rents #5 and #6 were considered overall similar in age/effective age and were not adjusted.

Rent #1 was adjusted downward for its superior/larger land to building ratio. Rent #3 was adjusted upward for its inferior/smaller land to building ratio. The remaining rents were considered similar in land to building ratio and were not adjusted.

Conclusion

The comparable rentals have an adjusted range of \$3.75 to \$4.69 per square foot annually with an average of \$4.31 and a median of \$4.41 per square foot, triple net. We believe all leases are good overall indicators of current rental rates for properties comparable to the subject property and have weighted them equally in our rent conclusion. Due to the subject being larger in size than each of the comparable rents, we have concluded a market rent slightly below the average and median of the adjusted range at \$4.30 per square foot, triple net for the subject property.

Triple net expenses shall be defined as the tenant paying for all insurance, utilities, interior maintenance, and exterior maintenance (less capital expenses for roof, exterior walls, and parking lot). The landlord would be responsible for a reserve fund for replacement of short-lived items and nominal property management (i.e., grounds maintenance and refuse collection). We would expect the length of the initial term of a lease to be a minimum of 5 years. We have seen other leases with annual rent escalations, and we find these appropriate for the subject property. This is further evidenced by the subject’s previous lease agreement term and annual rent escalations.

The following is the calculation of market rent for the subject property.

125,835 square feet @ \$4.30 per square foot per year, NNN = \$541,091 annually

MARKET RENT CONCLUSION

Appraisal Premise	Effective Date	Market Rent Conclusion
As Is	May 25, 2023	\$4.30 per square foot or \$541,091 annually, triple net
