Community No.: 470040
Community: Metropolitan Government of Nashville and Davidson County, Tennessee

The Honorable Freddie O'Connell
Mayor, Metropolitan Government of Nashville and Davidson County
1 Public Square, Suite 100
Nashville, Tennessee 37201

Dear Mayor O'Connell:

Enclosed is a copy of the revised Flood Insurance Study (FIS) materials for Davidson County, Tennessee and Incorporated Areas prepared by the Department of Homeland Security's Federal Emergency Management Agency (FEMA). These materials may include revised Flood Insurance Rate Map (FIRM) panels, a revised FIRM Index, and a revised FIS report. To avoid confusion, please replace materials that you currently have on file with the most recent copy.

As you are aware, your community shares the enclosed Index with several other jurisdictions in the county. Future revisions to the enclosed FIRM Index will only be issued to you if a FIRM panel on which your community is located is revised. This FIRM Index will therefore remain valid for your community until such time as a panel on which your community is shown is revised.

It is also important to note that if your community annexes land that is shown on adjacent FIRM panels in the future, you must obtain a current copy of the adjacent panel as well as the current FIRM index. Additional digital copies of the enclosed materials may be ordered from the FEMA Mapping and Insurance eXchange toll free at 1-877-336-2627 (877-FEMA MAP), or via the website at https://msc.fema.gov.

Sincerely,

Luis Rodriguez, P.E., Director
Engineering and Modeling Division
Federal Insurance and Mitigation Administration

FINAL SUMMARY OF MAP ACTIONS

Community: METRO GOVERNMENT OF NASHVILLE-DAVIDSON Community No: 470040

To assist your community in maintaining the Flood Insurance Rate Map (FIRM), we have summarized below the effects of the enclosed revised FIRM panels(s) on previously issued Letter of Map Change (LOMC) actions (i.e., Letters of Map Revision (LOMRs), Letter of Map Revision based on Fill (LOMR-Fs), and Letters of Map Amendment (LOMAs)) that will be affected when the revised FIRM becomes effective on June 20, 2024.

1. LOMCs Incorporated

The modifications effected by the LOMCs listed below will be reflected on the revised FIRM. In addition, these LOMCs will remain in effect until the revised FIRM becomes effective.

LOMC	Case No.	Date Issued	Project Identifier	Original Panel	Current Panel
			NO CASES RECORDED		

2. LOMCs Not Incorporated

The modifications effected by the LOMCs listed below will not be reflected on the revised FIRM panels or will not be reflected on the revised FIRM panels because of scale limitations or because the LOMC issued had determined that the lot(s) or structure(s) involved were outside the Special Flood Hazard Area, as shown on the FIRM. These LOMCs will remain in effect until the revised FIRM becomes effective. These LOMCs will be revalidated free of charge 1 day after the revised FIRM becomes effective through a single revalidation letter that reaffirms the validity of the previous LOMCs.
