Greetings,

I have not heard back regarding the PMS EIN issue. We still do not have access to the grant and cannot drawdown. We also will not be able to complete the FFR due at the end of the month in PMS without this being fixed. Please let me know if there's someone else I need to contact about this, we need it resolved ASAP.

Hi Emily,

Here is the information from your latest NOA. It looks like the EIN suffix (Payment System Identifier) is incorrect (A2 instead of A3). I would guess this is why this award is not showing up in PMS. Please verify all the information listed (Org name, address, UEI, etc) and Lakita can fix this when she returns. In the future, it is important to review your NOAs carefully when issued to ensure all information is correct and make changes ASAP if needed.

Greetings,

Grant # NE11OE000029, MPHD Infrastructure, is not available in our Payment Management System. Without that access we cannot drawdown funds for either strategy of the grant. I've contacted the PMS help desk, but they were only willing to change my access to another payment account. We need the grant to be listed in MPHD's account, payee number: 5050P, EIN: 1620694743A3. Are you able to help get this set up or do you know who I can contact that can?

Thanks,
