RECITALS

Purpose

WHEREAS, this Agreement describes the collaboration and responsibilities between AFTA and the COORDINATING AGENCY whereas AFTA will provide financial and technical assistance and COORDINATING AGENCY provides matching funds and for the COORDINATING AGENCY to implement a “Diversity in Arts Leadership Internship Program.” (“DIAL Program”).

WHEREAS, the collaboration between the parties began on December 1, 2020, and ends September 30, 2021.

WHEREAS, the parties understand that any change in the budget or in the timing of fund awards releases COORDINATING AGENCY and AFTA from performance obligation unless and until an updated statement of collaboration is agreed to in writing.

WHEREAS, COORDINATING AGENCY, in addition to investments in the arts, works to provide leadership to the community in arts and cultural planning initiatives and leveraging impact for the enhancement and elevation of quality of life for residents and visitors.

WHEREAS, AFTA’s mission is to serve, advance, and lead the networks of organizations and individuals who cultivate, promote, sustain, and support the arts in America. The two groups share a common commitment to shared values (below) promoting this connection to create healthy vibrant and equitable communities impacted through leadership development.

WHEREAS, the parties’ mutual goals are to: expand access to those from underrepresented backgrounds in arts leadership; co-create improvements to intern, staff, and board recruiting, hiring, and inclusion policies

and practices; and ignite local ecosystem of support for young leaders and local arts communities, including funders, private and public sector mentors, arts leaders, and community members.

Now, therefore, in consideration of the Recitals, and the mutual agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged AFTA and COORDINATING AGENCY agree as follows:

1. Scope of Program

Through the Diversity in Arts Leadership Internship Program (the “DIAL Internship”), COORDINATING AGENCY along with AFTA will provide financial and technical assistance to help establish a summer internship program for undergraduate interns from backgrounds underrepresented in arts leadership that includes placement with an Arts Host, mentor pairing, and a curated set of programming.

2. Definitions

COORDINATING AGENCY: The COORDINATING AGENCY for the internship program is responsible for the implementation of the complete program in the local community including the fundraising, program administration, and selection of interns.

INTERNS: Students who have completed at least their first year in college and are enrolled in an undergraduate program at the time of application submission. Students are recruited from colleges and universities and are selected by COORDINATING AGENCY and AFTA through an application targeted to arts-related and business-related departments, career planning and placement offices, and appropriate peer/student networks. The students experience a work week consisting of up to 30 hours of direct management assistance, independent research or project management, and professional development for 10-weeks during June, July, and early August. Students are compensated directly by either the COORDINATING AGENCY or their arts host under a full or partial regrant, as determined by the COORDINATING AGENCY.

ARTS HOST: Arts Host agencies provide assignments, virtual access to essential office materials, and the direct supervision of the intern on all projects in the program. The Arts Host agencies are selected by the COORDINATING AGENCY based on their soundness and stability, evidence of professional staff management and an active board, and their ability to complete the proposed management experience while giving the students a valuable experience in the arts.

MENTOR: The mentor is a person selected by the COORDINATING AGENCY, based on their interest and involvement in the arts community, to advise the INTERN.
