Gentlemen:

The Board of the Neuhoff Foundation has approved another contribution to your organization and a check for \$7,500 is enclosed. As I understand from previous conservations with people at Animal Control, even though you are a Government agency you can accept contributions. If this policy has changed, please let me know.

The type of services you render are things we, as a Board, appreciated and supported. Hopefully you will be able to place all of your cats and dogs in loving homes and we are pleased to contribute to your work.

If someone could acknowledge receipt of this gift to me at the above address, I would appreciate it.
