

AMENDMENT NO. 1
TO
ORDINANCE NO. BL2021-725

Mr. President –

I hereby move to amend Ordinance No. BL2021-725 by deleting the existing Section 1 in its entirety and substituting with the following new Section 1:

~~Section 1. That Section 2.149.040 of the Metropolitan Code of Laws is hereby amended by modifying subsection G as follows:~~

~~G. Make recommendations to the metropolitan council regarding the awarding of grants from the Barnes Fund, including funds appropriated yearly by the metropolitan council through the operating budget ordinance, to deserving nonprofit organizations and nonprofit civic organizations, or as otherwise authorized by state law, supporting the purposes of the commission. Criteria for the awarding of such funds shall be established by the commission. The criteria shall include setting aside at least twenty percent of such grants to be used for the creation and preservation of affordable housing or capacity building for organizations that create or preserve affordable housing to be awarded to small nonprofit organizations, provided that a sufficient number of qualified applications are received. For the purposes of this subsection, "small nonprofit organizations" means nonprofit organizations with an annual operating budget of no more than four million dollars and a housing budget of no more than one million dollars. The commission shall submit a recommendation to the metropolitan council for the appropriation of funds to deserving nonprofit organizations consistent with T.C.A. § 7-3-314, as it may hereafter be amended. Once funds have been appropriated by the metropolitan council to the deserving nonprofit organization(s), the commission shall enter into a grant contract with each such organization. No such grant contract shall become effective without the approval of the metropolitan department of law and director of finance. In the event the recipient organization fails to complete its obligations under the grant contract within twenty-four months from execution, the commission shall be authorized to rescind the contract and to reclaim previously appropriated funds from the organization, subject to terms and conditions within the grant contract allowing for such.~~
