### Analysis

This ordinance, as substituted and amended, amends the definition of “Family” in Titles 16 and 17 of the Metropolitan Code to change the allowance of unrelated persons living together from three to four persons and provide that this group can include a combination of related and unrelated persons.

Additionally, this ordinance amends the portion of the “Family” definition in Title 17 related to group homes for persons with disabilities to update terminology to modern standards and to align with state law more closely. The ordinance also adds a definition of “dwelling unit” to clarify that it is a single unit for use by one family.

This has been approved with a substitute by the Planning Commission.
