Analysis

This ordinance adopts the 2023-2028 Consolidated Plan for Housing and Community Development (“Consolidated Plan”) and authorizes the Mayor to submit the Plan to the U.S. Department of Housing and Urban Development (“HUD”). This five-year Consolidated Plan was prepared by the Metropolitan Development and Housing Agency (“MDHA”) and is to be administered by MDHA. The Council most recently adopted a Consolidated Plan in 2018 for the years 2018-2023 pursuant to Ordinance No. BL2018-1246.

HUD requires local governments seeking federal funding under the Community Development Block Grant program (“CDBG”), the HOME investment partnerships program, the Emergency Shelter Grant program (“ESG”), and the Housing Opportunities for Persons With AIDS (“HOPWA”) program to submit a consolidated plan for housing and community development.

This plan includes a Needs Assessment, a Housing Market Analysis, and a Strategic Plan that establishes priorities for addressing housing and community development needs. In addition, the Action Plan for 2023 provides for expenditure of CDBG, HOME, ESG, and HOPWA funds to address the Consolidated Plan's priorities.

Funding for the programs in the 2023 Action Plan would be used for the following purposes:

- CDBG - Acquisition, Administration and Planning, Economic Development, Housing, Public Improvements, and Public Services
- HOME - Acquisition, Homebuyer assistance, Homeowner rehab, Multifamily rental new construction, Multifamily rental rehab, New construction for ownership, and Tenant-Based Rental Assistance ("TBRA")
- HOPWA - Permanent housing in facilities, Permanent housing placement, Short term or transitional housing facilities, Short-Term Rent, Mortgage, and Utility Assistance (STRMU), Supportive services, and TBRA
- ESG - Conversion and rehab for transitional housing, Financial Assistance, Overnight shelter, Rapid re-housing (rental assistance), Rental Assistance Services, and Transitional housing

Funding for these programs could not be allocated for any property acquisition for which the power of eminent domain is utilized by MDHA, which is restricted under federal law.
