### Analysis

This ordinance approves Amendment No. 6 to the Arts Center Redevelopment Plan, Amendment No. 1 to the Bordeaux Redevelopment Plan, Amendment No. 1 to the Cayce Place Redevelopment Plan, Amendment No. 1 to the Central State Redevelopment Plan, Amendment No. 2 to the Jefferson Street Redevelopment Plan, Amendment No. 6 to the Phillips-Jackson Redevelopment Plan, Amendment No. 8 to the Rutledge Hill Redevelopment Plan, and Amendment No. 1 to the Skyline Redevelopment Plan.

Ordinance No. BL2019-1645 proposed amendments to the Metropolitan Development and Housing Agency (“MDHA”) Redevelopment Plans of Arts Center, Bordeaux, Cayce Place, Central State, Jefferson Street, Phillips Jackson, Rutledge Hill, and Skyline. Language in the redevelopment plans require that only the Metropolitan Development and Housing Agency may initiate a modification, change, or amendment to the Plans. The Council passed BL2019-1645 on August 6, 2019. MDHA approved these amendments on August 13, 2019. After the passage of BL2019-1645 MDHA did not enter into any agreements providing Tax Increment Financing pursuant to any of the redevelopment plans.

The ordinance under consideration repeals BL2019-1645 and seeks to correct the sequence of the approval of the amendments. The amendments to the Redevelopment Plans would be labeled the “2023 Plan Amendments”. These changes would be identical to the prior 2019 Plan Amendments approved by BL2019-1645.

Like the 2019 Plan Amendments, these amendments would make three main changes. First, this new section would require that the portion of tax increment funds that may be used to pay the indebtedness could not be greater than seventy-five percent, except that MDHA could increase or decrease this percentage pursuant to criteria set forth in a written policy adopted by the Board of Commissioners of MDHA. Further, this would still be subject to the requirements of Chapter 5.06 of the Metro Code of Laws entitled “Tax Increment Financing”.

Second, the new section would require a periodic assessment of the activities and improvements eligible for tax increment financing (“TIF”) under the plan. An assessment could be requested by either the Council or the tax increment agency. Assessments could be requested no earlier than seven years after the adoption of the plan, or the previous assessment, and would be required to be completed within 10 years after the adoption of the plan or the previous assessment. The assessment would include a review of the impact and goals of the Plan, and MDHA and the Council would have to agree on the eligible activities or improvements. Council’s agreement would be indicated by the adoption of a resolution approved by 21 members. It would constitute a New Loan Termination Event if any subsequent assessment is not completed within 10 years after the previous assessment. If a New Loan Termination Event occurs, MDHA would be prohibited from approving any additional bonds or indebtedness to be paid by TIF under the Plan. A New Loan Termination Event would not terminate the Plan, nor would it impact any TIF approved prior to the Event.

Third, the section would clarify that the Council or MDHA may initiate a Plan amendment, subject to the approval of the other. (Currently, only MDHA initiates such amendments.) If the Council initiates the amendment, the approval of MDHA must be obtained before the third reading of the ordinance adopting the amendment.

This ordinance would also make certain housekeeping changes, including language clarifying in the Rutledge Hill Redevelopment Plan from the amendment adopted pursuant to BL2014-699 which inadvertently identified the “Tax Increment” section of the plan as “Section G” instead of “Section H”. Additionally, several Redevelopment Plans authorize tax increment financing related to the Plan to be used to carry out “other adopted and approved redevelopment plans”, potentially outside of the designated Plan area. This ordinance would remove that language from the various Plans.
