

Section 2. That this resolution shall take effect from and after its adoption, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.

### Analysis

This resolution approves the fourth amendment to a grant from U.S. Environmental Protection Agency (“EPA”) to the Metropolitan Board of Health for the ongoing collection of data on ambient air concentrations of 2.5 for fine particulate matter in Nashville. The original agreement was approved by Resolution No. RS2020-681, amended by Resolutions No. RS2021-996, RS2022-1530, and RS2022-1652. This is a routine grant and the Metro Health Department is responsible for air quality monitoring in Nashville and Davidson County on behalf of the EPA. The term of the grant began April 1, 2020.

The amendment increases the amount of the grant by \$130,000, from \$390,000 to \$520,000. The end date of the grant is March 31, 2024 and will not be amended.
