Analysis

This resolution approves an application for a grant in the amount of \$999,939 from the U.S. Department of Justice to the Metro Office of Family Safety to expand the high-risk Coordinated Community Response teams to reduce the risk of homicide and address high-risk victimization. If awarded, this would be a three year grant used to hire four new employees. These employees would be responsible for developing curriculum and providing training to Metro Police officers, nonprofit partners, and other Metro employees, as well as to develop response protocols and high-risk case identification. There would be no local cash match associated with this grant.
