WHEREAS, LMC Towne Property Owner, LLC plans to install and maintain an encroachment, under Proposal No. 2022M-034EN-001, at 808 Garfield Street; and,

WHEREAS, Proposal No. 2022M-034EN-001 is comprised of installation and maintenance of irrigation systems for in-ground planters encroaching the public right-of-way on property located at 808 Garfield Street; and,

WHEREAS, LMC Towne Property Owner, LLC has agreed to indemnify and hold the Metropolitan Government of Nashville and Davidson County harmless of any and all claims for damages of every nature and kind resulting from or arising from the installation of said encroachments under proposal No. 2022M-034EN-001; and,

WHEREAS, Metropolitan Code of Laws Section 13.08.030 allows the Council of the Metropolitan Government of Nashville and Davidson County to by ordinance grant encroachments, permits or privileges to construct, install, operate and/or maintain an encroachment in, on, over, or under any street, road, alley, sidewalk, or other public way.

NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

Section 1. That subject to the requirements, limitations and conditions, contained herein and in the attached License Agreement, LMC Towne Property Owner, LLC is hereby granted the privilege to construct, install, and maintain said encroachments under Proposal No. 2022M-034EN-001, in accordance with the plans which are on file in the office of the Director of the Nashville Department of Transportation and Multimodal Infrastructure (“NDOT”), and which are more particularly described by lines, words and figures on the attached sketches which are attached to and made a part of this Ordinance.

Section 2. That the authority granted hereby for the construction, installation, operation, and maintenance of said encroachments under proposal No. 2022M-034EN-001 shall not be construed as a surrender by the Metropolitan Government of its rights or power to pass resolutions or ordinances regulating the use of its streets, or the right of the Metropolitan Government through its legislative body, in the interest of public necessity and convenience to order the relocation of said facilities at the expense of LMC Towne Property Owner, LLC.

Section 3. That plans and specifications for said encroachments under Proposal No. 2022M-034EN-001 shall be submitted to the Director of NDOT for approval before any work is begun; and all work, material, and other details of said installation shall be approved by the Director of NDOT prior to its use by LMC Towne Property Owner, LLC.

Section 4. That construction and maintenance of said encroachments under Proposal No. 2022M-034EN-001 shall be under the direction, supervision and control of the Director of NDOT, and its installation, when completed, must be approved by said Director.

Section 5. That this Ordinance confers upon LMC Towne Property Owner, LLC a privilege and not a franchise, and the Mayor and the Metropolitan Council herein expressly reserve the right to repeal this ordinance, whenever, in their judgment, a repeal may be demanded by public welfare, and such repeal shall confer no liability on the Metropolitan Government of Nashville and Davidson County, its successors and assigns, by reason of said repeal. In the event of such repeal by Metropolitan Government, LMC Towne Property Owner, LLC its successors and assigns, shall remove said encroachment at their own expense.

Section 6. LMC Towne Property Owner, LLC, its successors and assigns, shall pay all costs incident to the construction, installation, operation and maintenance of said encroachments under Proposal No. 2022M-034EN-001 and shall save and hold the Metropolitan Government of Nashville and Davidson County harmless from all suits, costs, claims, damages or judgments in any way connected with the construction, installation, operation and maintenance of said encroachments and shall not claim, set up or plead, as a defense, in the event of joint liability, with or without suit, that it and the Metropolitan Government were joint wrongdoers. LMC Towne Property Owner, LLC, its successors and assigns, shall be responsible for the expense, if any, of repairing and returning the right-of-way to the condition, which it was in prior to the installation of said encroachments and for any street closure.

Section 7. That the authority granted to LMC Towne Property Owner, LLC as herein described, shall not in any way interfere with the rights of the Metropolitan Government, its agents, servants, and/or contractors and utility companies, operating under franchise from the Metropolitan Government to enter, construct, operate, maintain, repair, rebuild, enlarge, and patrol its now existing or future utilities, including drainage facilities, together with their appurtenances, and to do any and all things necessary and incidental thereto.

Section 8. LMC Towne Property Owner, LLC, shall and is hereby required to furnish the Metropolitan Government of Nashville and Davidson County a certificate of public liability insurance, naming The Metropolitan Government as an insured party, of at least four million (\$4,000,000) dollars aggregate, for the payment of any judgment had on any claim, of whatever nature, made for actions or causes of action arising out of, or connected with, the construction or installation of said encroachment. Said certificate of insurance shall be filed with the Metropolitan Clerk and NDOT prior to the granting of a permit, and the insurance required herein shall not be canceled without the insurance company or companies first giving thirty (30) days

written notice to the Metropolitan Government of Nashville and Davidson County.
