Analysis

This resolution approves the second amendment to an agreement between the Metropolitan Government and WellSky Corporation. This contract is for the provision of a homeless management information system.

Metropolitan Code of Laws Section 4.12.060 provides that sole source contracts with a total contract amount in excess of two hundred fifty thousand dollars must be approved by the Council by resolution. The previous estimated contract life value of this contract was \$210,123, which did not trigger the requirement that this sole source contract be approved by Council.

This amendment to the contract increases the term of the contract from 24 months to 60 months. The original term of the contract began on October 7, 2020. The amendment further increases the value of the contract by \$152,562.83 for a new estimated value of \$362,685.83. Exhibit F - Order Form and Pricing would also be updated to reflect these changes.

*Fiscal Note: The amendment will extend the term of the contract to sixty months and increase the contract value by \$152,562.83 for a total revised estimated value of \$362,685.83 due to the extension of the contract. The end date of the contract is October 6, 2025.*
