Analysis

This resolution authorizes the Metropolitan Mayor to submit the Nashville-Davidson Community Development Block Grant - Disaster Recovery (CDBG-DR) Action Plan. In May 2022, there was a Presidential Disaster Declaration that resulted in the award of \$8,518,000 in CDBG-DR funds to assist in long-term recovery efforts related to the historic rain and flash flooding on March 27 and 28, 2021. The funds must be spent in the Most Impacted and Distressed (“MID”) area, which has been identified as the 37211 zip code.

The Metropolitan Development and Housing Agency (“MDHA”) is the lead agency responsible for the

preparation of the Five-Year Consolidated Plan for Housing and Community Development for the Metropolitan Government.

In order to access the CDBG-DR funds, the Department of Housing and Urban Development (“HUD”) has directed grantees to prepare an Action Plan to allocate the funds to eligible activities and projects. The CDBG-DR Action Plan allocates funds to the following activities:

Category	Remaining Unmet Need	% of Unmet Need	Program Allocation Amount	% of Program Allocation
Administration			\$425,900	5%
Planning			\$425,900	5%
Housing	\$1,171,800,000	100%	\$6,555,200	77%
Mitigation			\$1,111,000	13%
Total			\$8,518,000	100%

A total of \$7,666,200 would be allocated for activities associated with the development of Affordable Housing and mitigation features incorporated into the affordable housing development during the design phase based on factors such as site location, facility layout/design, cost, and other factors. The funds will be used to make grants and/or loans to entities to pay for the costs associated with the development of affordable housing, a minimum of 70% will benefit low-to-moderate income households. \$851,800 would be allocated for planning and grant management.

MDHA, in accordance with its HUD-approved Citizen Participation Plan, held a virtual public hearing on January 31, 2023 and an in-person public hearing on February 6, 2023 at Casa Azafran, located within the MID. The 30-day public comment period opened on January 25, 2023 and closed on February 25, 2023.
