

Government of Nashville and Davidson County requiring it.

Analysis

This resolution approves an amendment to a cooperative agreement between the Metropolitan Government and the United States Department of Agriculture - Natural Resources Conservation Service (NRCS) to stabilize the stream banks and protect a main sewer line along Mansker Creek near Old Springfield Pike in Davidson County. The original agreement was approved by Resolution No. RS2020-539 with a total project cost of \$107,462.37 to be funded as follows: NRCS would pay \$74,973.75 for construction costs and \$7,497.37 in technical assistance costs, and Metro Water Services would pay a fixed cost not to exceed \$24,991.25.

The amendment to the contract increases the project cost by \$195,354.37 with Metro paying 25% of those costs (\$45,431.25) and NRCS paying the remaining 75%.
