#### Analysis

This resolution approves a grant from the Metropolitan Government to the Community Foundation of Middle Tennessee ("CFMT") for the purpose of creating the Housing Catalyst Fund using American Rescue Plan Act ("ARPA") funds from Fund No. 30216.

On December 21, 2021, the Council appropriated \$40,200,000 in ARPA funds through Resolution No. RS2021-1260. Of this, \$20,000,000 was to be used for the creation of a Housing Catalyst Fund. The Housing Division of the Planning Department conducted a publicly advertised, competitive procurement process and selected Forsyth Street Advisors and associated subcontractors Nelson Community Partners and Pillars Development

to conduct a market analysis to determine the best structure for a sustainable housing fund and to assist in the creation of a fund that maximizes Metro's investment.

The remaining \$19,500,000 in funding will be granted to the CFMT to establish and provide for the administration of the Housing Catalyst Fund. This resolution approves a grant contract between Metro and CFMT. Pursuant to the terms of the contract, CMFT will establish and provide for the administration of the Housing Catalyst Fund to support the creation and preservation of affordable and workforce housing by providing low-cost capital as loans for development in Metropolitan Nashville. The term of the grant begins upon execution and will extend until the Catalyst Fund is established and in operation, but in no event more than 24 months. CFMT will be required to continue to comply with the provisions of the grant contract for as long as it continues to operate the Housing Catalyst Fund.

Details about the Housing Catalyst Fund program can be found in Exhibit 1 to the resolution, which is also incorporated into the grant contract.
