Analysis

On July 15, 2023, Marlene Brown reported damage to drywall, baseboard, and door frames at her Sixth Avenue North home following a water main break. Metro Water Services arrived, turned off the water, and completed repairs. Metro Water Services concluded that the water main break was due to natural causes. Ms.

Brown later hired ServePro and a handyman to remove the water and damaged drywall, baseboards, and door frames and make subsequent repairs to the property.

The Department of Law recommends settlement of Ms. Brown's property damage claims for \$12,949.78.

Fiscal note: This \$12,950 settlement, along with the settlements per Resolution Nos. RS2023-73, RS2023-81, RS2023-85, RS2023-86 and RS2023-87 would be the 10th, 11th, 12th, 13th, 14th, and 15th payments from the Self-Insured Liability Fund in FY24 for a cumulative total of \$724,800. The fund balance would be \$15,906,418 after these payments.
