Section 2. This ordinance shall take effect from and after its enactment, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.

Analysis

This ordinance codifies a three year procurement records retention requirement. Section 4.12.200 of the Metro Code currently provides that only sole source and emergency records are required to be retained by the Purchasing Agent for a three-year period. An audit from 2020 recommended that this policy be expanded to include all procurement records.

This ordinance provides that all procurement records are to be retained in accordance with the Public Records Commission retention guidelines, but for not less than three years.
