Section 4. This ordinance shall take effect from and after its final passage, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.

Analysis

This ordinance, as substituted, would require all assisted living services being provided to patients and residents at the J.B. Knowles Home Assisted Living Facility to be continued unless the elimination of such services is approved by the Metropolitan Council by a resolution receiving 21 affirmative votes, so long as there is a successful bidder pursuant to Metro's public procurement process or a current qualified operator is willing to provide services in exchange for funding no greater than the most recent budgeted subsidy. Likewise, no wind down or other processes or preparations intended to prepare this facility for closure could occur until 30 days after the affirmative Council vote. The ordinance further provides that, while the Council intends the services provided by the facility to be continued with no subsidy, the Council intends to continue a subsidy sufficient to bring per-patient revenue for Davidson County residents living at Knowles Home in line with per-patient revenue at comparable non-profit assisted living facilities in Davidson County until a long term plan is reviewed and approved by the Council.
