An ordinance to amend the Geographic Information Systems Street and Alley Centerline Layer for the Metropolitan Government of Nashville and Davidson County by abandoning Alley Number 442 and an Unnumbered Alley right-of-way and easement between 17<sup>th</sup> Avenue South and 18<sup>th</sup> Avenue South. (Proposal Number 2021M-012AB-001).

WHEREAS, it is the desire of all the abutting property owners that said abandonment of right-of-way be accomplished; and,

WHEREAS, the abandonment has been requested by Vanderbilt University, applicant; and,

WHEREAS, there is no future need for said right-of-way for Metropolitan Government of Nashville and Davidson County purposes.

NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

Section 1. That the Geographic Information Systems (GIS) Street and Alley Centerline Layer for The Metropolitan Government of Nashville and Davidson County, as enacted by Ordinance No. 2020-555 be and hereby is amended as follows:

Alley #442 from proposed Alley #458 northward to an Unnumbered Alley and the Unnumbered Alley from 17<sup>th</sup> Ave S westward to Alley #442, right-of-way and easement, all of which is more particularly described by lines, words and figures on the sketch which is attached to and made a part of this ordinance as though copied herein, are hereby abandoned.

Section 2. That said right-of-way, including all utility easements within it, are herein abandoned.

Section 3. That the Director of the Nashville Department of Transportation and Multi-modal Infrastructure (formerly the Department of Public Works, as re-designated in the Memorandum of Understanding approved by RS2021-794), be and hereby is authorized and directed, upon the enactment and approval of this ordinance, to cause said change to be made on said GIS Centerline Record as set out in Section 1 of this ordinance, and to make notation thereon of reference to the date of passage and approval of this amendatory ordinance.

Section 4. Amendments to this legislation may be approved by resolution.

### Analysis

This ordinance abandons Alley Number 442 and an Unnumbered Alley right-of-way between 17<sup>th</sup> Avenue South and 18<sup>th</sup> Avenue South. This abandonment has been requested by Vanderbilt University. This ordinance also abandons the existing utility easements. The Nashville Department of Transportation has determined there is no future need for this portion of right-of-way and all abutting property owners have consented to the abandonment.

Future amendments to this ordinance may be approved by resolution. This ordinance has been approved by the Planning Commission.

*Fiscal Note: This ordinance has no cost to Metro. In the opinion of the Transportation and Multi-modal Infrastructure department, abandoned right-of-way has no market value when the Department has agreed that the abandoning of said right-of-way is considered acceptable. Additionally, the abandonment of rights-of-way that are unimproved, unmaintained, and serve no current or future purpose for Metro allows the abandoned area to be assessed for property tax purposes.*
