Analysis

This resolution approves amendment to two agreements related to the acquisition of a parcel of property and improvements located at 607 Bass Street.

Ordinance No. BL2023-2012 approved three agreements related to the acquisition of a parcel of property and improvements located at 607 Bass Street, which was part of the grounds of the original Fort Negley. The three agreements were a purchase and sale agreement between American Battlefield Trust ("ABT") and the current owner of the property Robert F. Green, an assignment agreement between ABT and Metro, and a lease agreement between Metro and Robert F. Green. The purchase of the property by ABT from Robert F. Green would be funded by grants from the American Battlefield Protection Program in the amount of \$3,250,000, the State of Tennessee in the amount of \$3,000,000, and the Metropolitan Board of Parks and Recreation in the amount of \$3,000,000, with the total purchase price being \$9,250,000.

The resolution under consideration approves an amendment to the purchase and sale agreement to extend the closing date from on or before April 1, 2024, to on or before November 1, 2024. The closing date could be extended to on or before December 30, 2024, if ABT has submitted its federal grant application but has not yet received all funding. In addition, the purchase price would be increased from \$9,250,000 to \$9,400,000. The amendment would also provide an increase in the reimbursement from ABT to Robert F. Green for the actual costs in connection with the replacement of the roof of the primary building on the property from \$51,970 to \$57,779.

The resolution also approves a revised assignment agreement which provides that ABT will transfer and convey the property to Metro within 10 business days of ABT acquiring the property from Robert F. Green. ABT is further required to record a conservation easement within 10 days of acquisition of the property. Under the original assignment agreement, Metro's purchase price contribution was a minimum of \$3,000,000 to a maximum of \$9,250,000 depending on the funding ABT received from federal and state grants. The revised assignment agreement provides that Metro's purchase price would be \$3,000,000. Metro would also reimburse ABT \$57,779 in connection with the replacement of the roof of the primary building on the property.

Fiscal Note: This amendment will increase the purchase price from \$9,250,000 to \$9,400,000 between Robert F. Green and American Battlefield Trust. The reimbursement to Robert F. Green will increase from \$51,970 to \$57,779 for the actual cost of the roof replacement of the primary building. The deposit of \$25,000 held in escrow will be disbursed to Robert F. Green within fifteen days of the full execution of this amendment.
