Analysis

This resolution appropriates \$7,000,000 in American Rescue Plan Act (“ARPA”) funds from Fund #30216 to the Metro Homeless Impact Division of Metro Social Services (“MHID”). MHID has proposed that the funding be used to support its partnership with the low barrier housing collective and to fund competitive grants for support services.

MHID proposes using \$3,000,000 to fund a program manager and 2-4 housing navigators for the low barrier housing collective to assist clients in obtaining, maintaining, and retaining housing as well as providing landlord and tenant incentives.

MHID also proposes using \$4,000,000 to issue competitive grants to eight to ten local nonprofit agencies with historical data to support services such as trauma-informed care, critical time intervention, recovery opportunities, harm reduction and education support, and Workforce Readiness opportunities, as well as to build staff capacity and for grant management.

The COVID-19 Financial Oversight Committee has recommended this request be funded through ARPA funds.

Fiscal Note: This \$7,000,000 appropriation, along with the appropriations per Resolution No. RS2022-1696, Resolution No. RS2022-1697, and Resolution No. RS2022-1698 would be the 27th, 28th, 29th and 30th resolutions appropriating from the American Recovery Plan Act (ARP) Fund for a cumulative total of \$160,508,686. The total grant award is \$259,810,600. The first half of this amount was received in July 2021 and the second half was received in July 2022.
