

This resolution approves an application for a grant in the amount of \$24,600 from the Tennessee Historical Commission to the Metro Historical Commission to fund a rural cemetery preservation plan. There are approximately 500 rural cemeteries in Davidson County, with over 12,000 tombstones. The preservation plan to be funded with this grant would update the survey information for each site and ascertain the maintenance needs. The study is to be completed by September 30, 2022. If awarded, there will be a required local match of \$16,400.
