Analysis

This ordinance declares a certain planned road on the Orchard Bend Park property to be a public right of way and grants a temporary access easement.

The Nashville Department of Transportation and Multimodal Infrastructure (“NDOT”) plans to construct a roundabout at the intersection of Blue Hole Road and Pettus Road. A portion of the road will make up the entrance to Orchard Bend Park, and this ordinance would declare that entrance as public right of way. The declaration of the park entrance as public right of way has been approved by the Board of Parks and Recreation.

This ordinance also approves a temporary access easement to Wiley and Joyce Wilkerson, the owners of 5585 Pettus Road, which is adjacent to the Orchard Bend Park property at 5601 Pettus Road.
