

Agreement be approved.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

Section 1. That the preliminary engineering agreement between CSX Transportation, Inc. (CSXT) and the Metropolitan Government of Nashville and Davidson County, by and through NDOT, attached hereto and incorporated by reference herein, is hereby approved, and the Metropolitan Mayor is authorized to execute the same.

Section 2. That any amendments, renewals, or extensions of the term of this agreement may be approved by resolution of the Metropolitan Council.

Section 3. That this resolution shall take effect from and after its final passage, the welfare of the Metropolitan Government of Nashville and Davidson County requiring it.

Analysis

This resolution approves a preliminary engineering agreement between CSX Transportation (“CSXT”) and the Nashville Department of Transportation and Multimodal Infrastructure (“NDOT”). Under the agreement, CSXT will provide engineering work related to bridge repairs and painting at Walton Lane, Hart Lane, Division Street, Woodland Street, Nashville Zone, and Nashville Terminal Subdivision. Metro, through NDOT, will reimburse CSXT for the costs and expenses associated with engineering work, estimated to be \$25,000.

NDOT has requested that CSXT proceed with certain engineering and design services to facilitate the project, which would include preliminary engineering work and two days of flagging services.

Ordinance No. BL2005-787 authorized approval of agreements between Metro and CSXT by resolution.

Fiscal Note: Metro would reimburse CSX Transportation, Inc. the estimated cost of the engineering work, which is expected to be approximately \$25,000.
