### Analysis

This ordinance grants the Purchasing Agent authority to extend the term of Contract Number 422444. Contract Number 422444 was awarded to Kimley-Horn and Associates, Inc., in 2018 for the Murfreesboro Pike complete streets architectural and engineering services. This contract was competitively procured and awarded for a term of 60 months and is set to expire in April 2023. Section 4.12.160(A) of the Metropolitan Code limits the term of contracts for services to 60 months, unless otherwise authorized by the Metropolitan Council.

The Purchasing Agent and the Nashville Department of Transportation have recommended that this contract be extended until this project can be completed.

The amendment under consideration provides that the contract term will end at project completion. The contract value would also be increased by \$12,500 due to the re-evaluation of NEPA. Exhibit A would be replaced to include the re-evaluation of NEPA.

*Fiscal Note: This amendment will increase the estimated contract life value by \$12,500, due to the re-evaluation of NEPA, to \$365,000.*
