#### Analysis

This resolution amends an appropriation of \$1,046,000 in American Rescue Plan Act (“ARP”) funds from Fund #30216 to the Nashville Fairgrounds, originally approved by Resolution No. RS2022-1362.

The original resolution approved an appropriation to the Nashville Fairgrounds to provide rent relief for Flea Market dealers. Permanent dealers, defined as dealers who commit to eight consecutive months of rental and a permanent booth space assignment, are eligible for up to eight months of rent. This includes dealers that held permanent status as of March 2020, regardless of attendance since May 2021. Non-permanent dealers, who attend periodically or do not desire to commit to eight consecutive months of rental, are eligible for up to four months of rent. New dealers, defined as dealers who have not rented booth space within the last two years, are eligible for up to two months of rent.

This resolution extends the eligibility period for relief payments from eight months through September 30, 2024. Approximately \$545,700 from the original appropriation remains available for rent relief.

The Nashville Fairgrounds will be required to report quarterly to the COVID-19 Oversight Committee. The required information includes, but is not limited to, accounting of all grant funds, including identification of grant fund recipients, the use of funds and balance of fund remaining from the original allocation, and the program results, such as number of vendors receiving rent relief, the number of months and dollar value of the relief, zip codes of the vendors, etc.
