Analysis

This resolution appropriates \$1,000,000 in American Rescue Plan Act (“ARPA”) funds from Fund #30216 to various Metro departments to increase Metro’s existing public emergency response reserve for vaccination and assessment centers, homeless emergency shelters, personal protective equipment, sanitation, signage, telework, and information technology. The Council adopted Resolution No. RS2021-1206 on November 2, 2021, which established a \$1,000,000 public emergency response reserve for this purpose. The reserve was expanded to include telework and information technology expenses pursuant to RS.2022-1558 on June 7, 2022.

The COVID-19 Financial Oversight Committee recommends adding an additional \$1,000,000 into this reserve to cover additional necessary expenses.
