### Analysis

This ordinance, as substituted, amends Subsection 17.40.010.I of the Metro Code to require the Zoning Administrator to provide mailed notice of a decision to grant or deny a reasonable accommodation to all property owners within 1,000 feet of the subject property within five business days of the Zoning Administrator's decision. The notice must include information about the reasonable accommodation and the procedures to file a notice of appeal. Subsection 17.40.010.I establishes a right to request a reasonable accommodation to the standards set forth in the Code. Persons permitted to seek reasonable accommodation are those who have a disability recognized by federal law, who provide housing for a person with a disability recognized by federal law, or whose religious exercise is burdened by a provision of Title 17. "Person" can be an individual, group, or institution. Subsection 17.40.010.I regulates where the right to reasonable accommodation is to be displayed, the way the Zoning Administrator must make a determination on a reasonable accommodation, and the process to appeal the Zoning Administrator's decision to the Board of Zoning Appeals. Currently, there is no requirement for notifying surrounding property owners of a reasonable accommodation determination.

This ordinance has been approved, as substituted, by the Planning Commission.
