

the Metropolitan Beer Board.

Section 3. This Resolution shall take effect from and after its passage, the welfare of the Metropolitan Government of Nashville and Davidson County requiring it.

Analysis

This resolution approves an exemption from the minimum distance requirements for obtaining a beer permit for Legins's House of Seafood Nashville located at 4228 Ashland City Highway.

The Metro Code of Laws (MCL) prevents a beer permit from being issued to any establishment located within 100 feet of a religious institution, school, park, daycare, or one- or two-family residence. However, several exceptions exist to the distance requirements. For example, facilities within the USD separated from these protected establishments by state or federal four-lane highways are exempt, as are retailer on-sale beer permit holders in MUL districts and events catered by holders of caterers' permits. (See, Code section 7.08.090(A)).

Additionally, the Code provides a mechanism to exempt (a) restaurants or (b) any retail food store from Metro's minimum distance requirements, allowing such facilities to obtain beer permits upon the adoption of a resolution by the Council. (See, Code section 7.08.090(E)). Restaurants are no longer required to have state on-premises liquor consumption licenses in order to obtain such exemption.

A public hearing was held at the October 20 Council meeting.
