Analysis

This resolution declares surplus and authorizes the conveyance of these two properties and further authorizes grants not exceeding \$3,000,000 to AWAKE Nashville, Inc. for the express purpose of constructing or rehabilitating affordable or workforce housing for older adults.

Tenn. Code Ann. §7-3-314(e) permits Metro to convey by resolution any real property acquired pursuant to a delinquent tax sale by grant to a non-profit organization for the purpose of constructing affordable or workforce housing. This section also specifies that no property may be granted prior to the expiration of the statutory redemption period. This section also requires that all such property be used to construct affordable and workforce housing for residents in the county.

On January 16, 2023, the Metropolitan Housing Trust Fund Commission issued a request for applications to qualified nonprofit organizations to participate in the nonprofit housing development grant program. On November 17, 2022, Metropolitan Council appropriated \$8,000,000 in American Rescue Plan Act funding to the Housing Division of the Planning Department for the express purpose of supporting housing for older adults through RS2022-1861.

2937 and 2939 Brick Church Pike would be declared surplus and conveyed to AWAKE Nashville.

In addition to the grant of real property, AWAKE Nashville would receive from the Barnes Fund a grant totaling \$3,000,000 to construct 47 affordable housing units for older adults ages 62 and over. Tenn. Code Ann. § 7-3-314 authorizes Metro to provide financial assistance to nonprofit organizations. In addition, Section 5.04.070 of the Metro Code of Laws provides that the Council may appropriate funds for the financial aid of nonprofit organizations by resolution. The grant contracts are attached to the resolution.

Per state law and section 5.04.070 of the Metro Code, adoption of this resolution requires 21 affirmative votes.

Fiscal Note: This appropriation would reduce the balance of the Barnes Fund by \$3,000,000.
