Analysis

This ordinance amends Section 13.08.040, subsection A, of the Metropolitan Code of Laws related to the offering of merchandise for sale on public property.

Currently, this section prohibits a person from stopping, standing, or parking any wagon, pushcart, platform, table, automobile, truck, or other vehicle, or erecting any temporary stands, signs, or otherwise, upon any Metro property for the purpose of selling good, food, wares, merchandise, or products. The section further prohibits persons from selling or offering for sale any goods, food, wares, merchandise, or projects of any kind on Metro property. These restrictions do not apply to persons who have an agreement with or written permission of the department, board, agency, officer or other persons having control of custody of the property.

The ordinance under consideration provides that the display or exhibition of animals for payment or gratuity constitutes a prohibited action under this section. As amended, the ordinance also prohibits the above actions from occurring on a public right-of-way in addition to public property. A prohibition of the sale of “services” on public property and right-of-ways was removed in the amended bill.
