Section 2. The Directors of Water and Sewerage Services and Public Property Administration are authorized to execute such documents as may be necessary and appropriate to carry out the abandonment and acceptance authorized by this resolution.

Section 3. This resolution shall take effect upon passage, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.

Analysis

Ordinance No. BL2021-684, enacted on April 20, 2021, accepted new water and sewer main, fire hydrant assemblies, sewer manholes, and associated easements for eight properties located on Adams Street, Taylor Street, and 1st Avenue North, also known as the Neuhoff Development. These properties have now been consolidated with a new address of 1320 Adams Street. It has been determined that abandonment of 670 linear feet of existing 12 inch water main, two fire hydrants, and easements are necessary for the development.

This resolution amends the prior ordinance to accomplish this abandonment. Ordinance No. BL2021-684 provided that future amendments can be approved by resolution.

This resolution has been approved by the Planning Commission.

Fiscal Note: This ordinance has no cost to Metro. Abandoned and donated easements have no market value according to the Department of Water Services.
