Analysis

This resolution appropriates \$150,000 in American Rescue Plan Act (“ARPA”) funds from the Nashville Small Business Recovery Fund (“NSBRF”) to support small business entrepreneurs through Corner to Corner.

Resolution No. RS2022-1356 appropriated \$20,000,000 in ARPA funds to create the NSBRF for nonprofit organizations to assist small businesses in accessing grant and loan funds throughout Metropolitan Nashville and Davidson County with a focus on businesses in North Nashville/Bordeaux and areas of distress. Pursuant to that resolution, \$9,000,000 to a grant program under the NSBRF, an additional \$9,000,000 was allocated to a Nashville Opportunity Fund managed by Pathway Lending, and \$2,000,000 was allocated to the non-profit community to provide technical assistance, marketing, and outreach to small businesses in Nashville and Davidson County.

Funds are still available to those original nonprofit organizations funded through the NSBRF. The COVID-19 Financial Oversight Committee recommends that \$150,000 in funds from the NSBRF be appropriated to Corner to Corner, through the program The Academy, to empower underserved and underrepresented entrepreneurs with the tools to plan, start, and grow small businesses. The Academy provides no-interest microloans to entrepreneurs. Funding will be used to fund loans and loan management, recruitment and marketing, contractors and program facilitators, and staff.
