Analysis

This resolution appropriates \$355,200 from the Metropolitan Board of Health to Neighborhood Health, Inc., to provide medical and dental services for the unhoused. The funding would support at least two clinics in or around downtown Nashville.

Metro has had such a contract since 2005 to provide a portion of the medical services, including examinations, diagnosis, and treatment of medical conditions of homeless persons seen at the downtown clinic. Neighborhood Health is to provide primary medical services to at least 3,500 individuals, which is to include a 24-hour on-call system for emergencies. This contract also includes the provision of dental care for at least 500 patient visits and mental health services to at least 600 homeless clients. Neighborhood Health will also be responsible for making transportation available to its homeless patients. The term of this agreement begins July 1, 2023, and ends June 30, 2024.

Fiscal Note: Metro would pay \$355,200 to Neighborhood Health, Inc., to provide homeless individuals with medical and dental services at two or more clinics in or near downtown Nashville.
