Analysis

This ordinance extends the term of the contract with the Nashville Convention & Visitors Bureau to provide tourism and convention sales and marketing services. The Convention & Visitors Bureau, currently operating as the Nashville Convention & Visitors Corp (CVC), has provided tourism marketing services for Metro for many years. The current contract, which was competitively procured, was for a five year term expiring June 30, 2021. The contract is funded through a portion of the hotel occupancy taxes collected that must specifically be used for tourism promotion services pursuant to state law (T.C.A. § 7-4-110). No sales or property tax dollars are used to fund this contract. The annual budgeted amounts for this contract are based upon the estimated hotel occupancy tax collections. The budget for FY20 was \$26.2M and the budget for FY21 is \$11.6M.

This ordinance approves a one year extension of the contract through June 30, 2022. The ordinance notes that 70 full time equivalent positions are required to provide the services by CVC. The CVC has a sales staff based in Nashville, as well as satellite offices in Chicago, Atlanta, Washington D.C., Philadelphia, Los Angeles,

Denver, and Dallas. The services provided by CVC require a specific skill set that no Metro department can provide.

Section 4.12.160 of the Metro requires that an amendment to extend a contract for services beyond five years must be approved by Metro Council. It is anticipated that a new contract will be procured before the termination of this extended contract.
