Analysis

This ordinance adds the honorary designation of "Mary Watson Way" for a portion of 12th Ave N between Clay Street and Cecilia Street. Mrs. Watson, who passed away on December 10, 2018, was a leader in the Nashville Civil Rights movement. She fought to desegregate Nashville Public Schools beginning in 1957, and received many honors and awards for her Civil Rights efforts.

Section 13.08.025 of the Metro Code provides a procedure for the designation of honorary street signs whereby the Council, by ordinance, can authorize and direct the Department of Public Works to install two honorary street signs per street - at each end of a street - beneath the official street name sign for any street identified on the official Street and Alley Centerline Layer map. No honorary street sign can be installed honoring a living person; and each member of council can sponsor only one such ordinance each calendar year. This ordinance does not officially re-name the designated street. Therefore, there would be no change of official address for properties along this portion of 2nd Ave S.
