Analysis

This resolution supports the beautification of an underpass on Moorewood Drive in the Parkwood Neighborhood, under Briley Parkway/State Route 155 bridge. The resolution also approves an application for a license agreement between the Tennessee Department of Transportation ("TDOT") and the Metropolitan Government.

The Parkwood Community Association and the residents of the Parkwood Neighborhood are desiring to paint a mural on the walls of the underpass located near 3246 Moorewood Drive. TDOT rules require a resolution of support to accompany an application for a state license agreement for Transportation Art painted in TDOT's highway features. Proposals for Transportation Art must be requested and submitted by the local government and cannot be submitted by non-governmental entities. The local government must also enter into a license agreement with TDOT. A maintenance plan from the Nashville Department of Transportation for the mural project is attached to the resolution.
