Analysis

Ordinance No. BL2014-688 approved an operating lease between Metro and LP North Nashville, LLC, which is a subsidiary of Signature Healthcare, LLC ("Signature") for the operation of the Bordeaux Long Term Care facility located at 1414 County Hospital Road. Pursuant to that agreement, Signature agreed to lease and operate the BLTC while state legislation was sought to approve a split of the skilled nursing bed licenses into two facilities. However, the required state legislation was never approved. In 2016, pursuant to Ordinance No. BL2016-422, Metro agreed to extend the Signature BLTC operating lease and agreed to provide for a

reimbursement of losses incurred by Signature of up to \$3,500,000 per fiscal year.

Although the revised lease was set to expire on June 30, 2020, Metro entered into an emergency six month extension to allow time for a request for proposals to be issued for the operation of the facility, but no RFP responses were submitted. As a result, Metro notified Signature on September 22, 2020 of its election to have Signature discontinue all operations and start winding down the facility's resident care operations by January 2021.

The Fiscal Year 2021 Metro operating budget ordinance (Substitute Ordinance No. BL2020-286) appropriated \$6,000,000 for the MLTC management contract subsidy. To date this fiscal year, Metro has paid Signature approximately \$1,200,000 for Signature's loss reimbursement for the facility under the contract extension, leaving a balance of approximately \$4,800,000.

This ordinance would authorize various actions pertaining to the continued operation of BLTC. First, the ordinance would authorize and direct the Metro Purchasing Agent to enter into an emergency contract with a private or governmental entity for the continued operation of the BLTC facility for the remainder of Fiscal Year 2021 to allow time for a new long term operator to be selected through a new request for proposals (RFP) process or for the proper care and relocation of the residents. Under Section 4.12.070, the Purchasing Agent may make, or authorize others to make, emergency procurements when there exists a threat to public health, welfare, or safety, provided that such emergency procurements shall be made with such competition as is practical under the circumstances.

Second, the ordinance authorizes and directs the Purchasing Agent to issue an RFP or similar solicitation seeking best offers for the operation of the facility on a long-term basis. Third, the ordinance provides that the existing budgetary appropriation for the BLTC management contract be used to fund the emergency contract for the operation of the facility. Finally, the ordinance states the Council's desire and intention that the wind down plan for the facility be halted immediately.

The Council Office would note that Signature would have to agree to halting the wind down process since it is an obligation under the existing contract. It could not be unilaterally halted by Metro.

Future amendments to this ordinance could be approved by resolution receiving 21 affirmative votes.

Fiscal Note: The \$6,000,000 appropriation in line item 01101432 of the Substitute Ordinance No. BL2020-286 will be used to fund the emergency contract for the operation of the Bordeaux Long Term Care facility. There is no additional appropriation requested in this ordinance.
