NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

Section 1. The Rutledge Hill Plan is amended by amending Section C.4 of the Land Use Plan by adding the following language at the end of the Uses subheading:

"For purposes of this Land Use Plan, the term 'auto-oriented uses' shall not include an automobile dealership located at 15 Lindsley Avenue and 25 Lindsley Avenue that (1) sells automobiles through a virtual showroom; (2) allows the storage of not more than 20 automobiles on the exterior of the property; (3) only allows repair work on automobiles to be performed within fully-enclosed bays that are not visible from the public right-of-way; (4) holds a jobs fair for area residents prior to opening the automobile dealership."

Section 2. Prior to obtaining a final use and occupancy permit for an automobile dealership located at 25 Lindsley Avenue, the permit applicant shall show proof that it held a hiring event satisfying the following requirements:

2. A two day career fair held in the Rutledge Hill Community between 7:00 a.m. and 7:00 p.m. having times available for in-person interviews, as well as "drop in" opportunities.
3. Hiring managers from the applicant's company would be available to talk to prospective employees about the job opportunities available.

Section 3. This ordinance shall take effect from and after its final passage, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.

Analysis

This ordinance approves Amendment No. 8 to the Rutledge Hill Redevelopment Plan.

The Rutledge Hill Redevelopment Plan current does not allow for "auto-oriented uses". The ordinance under consideration would exempt the automobile dealerships located at 15 Lindsley Avenue and 25 Lindsley Avenue that (1) sell automobiles through a virtual showroom; (2) allow the storage of not more than 20 automobiles on the exterior of the property; (3) only allow repair work on automobiles to be performed within fully-enclosed bays that are not visible from the public right-of-way; (4) hold a jobs fair for area residents prior

to opening the automobile dealership from the definition of “auto-oriented uses”. An automobile dealership meeting these conditions could be located within the Rutledge Hill Redevelopment Plan area.

In addition, the ordinance requires that, prior to obtaining a final use and occupancy permit for an automobile dealership located at 25 Lindsley, the permit applicant will be required to show proof that it held a hiring event meeting the conditions outlined in the ordinance.
