

County that this Agreement be approved.

NOW, THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE METROPOLITAN GOVERNMENT OF NASHVILLE AND DAVIDSON COUNTY:

Section 1. That the intergovernmental agreement between the State of Tennessee, Department of Transportation (“TDOT”), and the Metropolitan Government of Nashville and Davidson County, by and through the Nashville Department of Transportation and Multimodal Infrastructure, for the maintenance and operation of certain traffic safety improvements installed by TDOT on State Route 12 at Old Hickory Boulevard, attached hereto as Exhibit A and incorporated herein, is hereby approved, and the Metropolitan Mayor is authorized to execute the same.

Section 2. Any amendments, renewals, or extension of the terms of the agreement may be approved by resolution of the Metropolitan Council.

Section 3. That this resolution shall take effect from and after its adoption, the welfare of the Metropolitan Government of Nashville and Davidson County requiring it.

Analysis

This resolution approves an intergovernmental agreement between the Tennessee Department of Transportation (“TDOT”) and the Nashville Department of Transportation and Multimodal Infrastructure (“NDOT”). The general maintenance agreement would allocate TDOT to install safety improvements, including signs, snowplowable markers, reflectors, chevrons, thermoplastic white and yellow lines, and guardrails on State Route 12 at Old Hickory Boulevard. NDOT would be solely responsible for the maintenance of the project’s completed work.

Tenn. Code. Ann. § 12-9-104(a)(2)(b) authorizes the Metropolitan Council to approve intergovernmental agreements by resolution.

Fiscal Note: Metro will be responsible for all maintenance of the completed installation of the safety improvements on SR-12 Intersection at Old Hickory Boulevard.
