### Analysis

On September 22, 2021, a Metropolitan Water Services Department (“MWS”) vehicle was backing out of a

parking space at a restaurant at 2388 Lebanon Pike, when the rear of the MWS vehicle struck the driver's side of Ms. Cenieta Smith's vehicle, which she was in. The total estimated cost of repair to Ms. Smith's vehicle was \$4,662.79 and has been paid.

Ms. Smith reported neck and back pain and underwent medical treatment, including an MRI. The MRI indicated mild to moderate loss of disc height and endplate irregularity and spurring. Ms. Smith received treatment to relieve and decrease pain, muscle spasms, and tenderness in the neck and lower back.

The Department of Law recommends settlement of Ms. Smith's personal injury claim for \$11,000, which includes \$7,544.60 in medical costs and \$3,455.40 in pain and suffering.

No disciplinary action was taken against the MWS employee, at the discretion of the employee's supervisor.

*Fiscal Note: This \$11,000 settlement, along with the settlements per Resolution Nos. RS2022-1669, RS2022-1671 and RS2022-1672 would be the 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> payments from the Self-Insured Liability Fund in FY23 for a cumulative total of \$102,859. The fund balance would be \$11,297,794 after these payments.*
