The Notes shall be issued without coupons, shall be designated as provided in Section 2(g)-(k), respectively, and shall be dated the date of their issuance. The Notes shall bear interest at a rate or rates not to exceed the maximum rate permitted by applicable law, payable with such frequency, not more often than monthly, as is agreed upon with the purchaser of the Notes, and the Notes shall mature on such date as is agreed upon with the purchaser thereof but not later June 30, 2022. Section 6. Remedies. The holder(s) of the Notes shall have all remedies provided by law in the event of a default under the Notes, including all remedies specified in Section 9-21-407 of the Tennessee Code Annotated, as amended. Without limiting the foregoing, the holder(s) of the Notes may by mandamus require the Metropolitan Government to assess, levy and collect taxes sufficient to provide for the payment of the Notes.

Section 7. Sale of Notes. Except as set forth in the following sentence, the Metropolitan Mayor is hereby authorized to sell the Notes (including all series authorized hereunder) on an interfund basis and issue said Notes to one or more of the Lending Funds in an aggregate principal amount not to exceed \$404,000,000. If the Metropolitan Mayor determines that the issuance of the Notes on an interfund basis is not in the best interest of the Metropolitan Government, then he is hereby authorized to sell the Notes by negotiated sale to one or more financial institutions as he may select with a true interest cost not to exceed 3% (three percent) per annum unless the Metropolitan Council, by resolution, authorizes a higher interest rate.

In either event, the Metropolitan Mayor is authorized to change the dated date of the Notes, to sell fewer than

all the Notes authorized herein, to change the designation of the Notes, to approve the interest payment rates (as authorized herein) and dates and maturity date therefor, to agree to a redemption premium relating to the prepayment of the Notes in an amount not to exceed what is permitted by law, and to agree that the Notes can be issued as single draw-down Notes under which the Metropolitan Government can draw down funds as needed. If any of the changes described above are made, the Note form set forth in Section 5 hereof shall be adjusted accordingly to reflect any changes made pursuant to this Section. The Metropolitan Mayor and Metropolitan Clerk, or either of them, are authorized to cause the Notes to be authenticated and delivered by the Registration Agent to the purchaser thereof and to execute, publish, and deliver all certificates, documents and supplemental agreements as they shall deem necessary in connection with the sale and delivery of the Notes. In no event shall any Notes be sold hereunder without first obtaining the approval of the State Director of Local Finance.

Section 8. Disposition of Note Proceeds. The proceeds of the sale of the Notes shall be paid to the Metropolitan Government in the manner agreed upon with the purchaser thereof and deposited and invested as required by applicable law.

Section 9. Federal Tax Exemption. If interest on any Notes sold by negotiated sale is determined by nationally recognized bond counsel to be excludable from gross income for purposes of federal income taxation under laws in force on the date of delivery of the Notes, then the Metropolitan Government agrees that it shall take no action which may cause the interest on any of said Notes to be included in gross income for federal income taxation. The Metropolitan Mayor is authorized and directed to make such certifications in this regard in connection with the sale of the Notes as he shall deem appropriate, and such certifications shall constitute a representation and certification of the Metropolitan Government.

Section 10. Resolution a Contract. The provisions of this resolution shall constitute a contract between the Metropolitan Government and the owner of the Notes, and after the issuance of the Notes, no change, variation or alteration of any kind in the provisions of this resolution shall be made in any manner until such time as the Notes and interest due thereon shall have been paid in full.

Section 11. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 12. Repeal of Conflicting Resolutions and Effective Date. All other resolutions and orders, or parts thereof, in conflict with the provisions of this resolution, are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

### Analysis

This resolution authorizes the issuance of up to \$404,000,000 in interfund tax anticipation notes (TANs) by the Metropolitan Government. These TANs would be issued pursuant to Tennessee Code Annotated § 9-21-101, *et seq.* for the purpose of meeting appropriations made for Fiscal Year 2022 in anticipation of the collection of taxes and revenues.

Money within Metro's various distinct funds is commingled and Metro has historically addressed temporary cash flow deficits by borrowing funds from the pooled cash account. This has the technical effect of one fund using money from another fund to pay for expenditures (until property tax receipts that fund each account are sufficient for the intended purpose).

In 2018, the Comptroller of the State of Tennessee advised that these transfers should be formalized by

issuing interfund tax anticipation notes, as permitted under state law with the prior approval of the Comptroller's office. The Council authorized TANs for FY20 in compliance with the Comptroller's request pursuant to Resolution No. RS2019-1545 and for FY21 pursuant to Resolution No. RS2020-315. The pending resolution formalizes Metro's regular practice of interfund borrowing for FY22.

The resolution identifies the following as "lending funds" for purposes of the TANs: Water & Sewerage Services Fund, Education Services Special Revenue Fund, Event and Marketing Fund, CBID Event and Marketing Fund, General Fund Reserve Fund, General Government Self Insurance Fund, Hotel Occupancy General Fund, Hotel Tourist Promotion Fund, Information Technology Services Fund, Injured on Duty Fund, Office of Fleet Management Fund, Government Services Special Revenue Fund, Solid Waste Operations Fund, Stormwater Operations Fund, and Surplus Property Auction Fund.
