Analysis

This resolution authorizes the Metropolitan Public Property Director to sign and record a Notice of Federal Interest ("the Notice") as part of a federal grant approved pursuant to Resolution No. RS2023-10. The Community Project Funding Grant from the U.S. Department of Health and Human Services to the Department of General Services is \$2,200,000 with no cash match required. This grant will fund the construction of the Nashville Assessment Center, which would provide therapeutic pre-charge diversion services to address youth with low-level misdemeanors. The Nashville Assessment Center would be located on the Nashville Youth Campus for Empowerment at 1354 Brick Church Pike.

Under the terms of the grant agreement, the Notice must be signed and recorded in Davidson County. The Notice includes conditions that the property housing the Nashville Assessment Center may not be used for any purpose inconsistent with the American Recovery and Reinvestment Act or its related regulations, may not be mortgaged or used as collateral without written federal permission, and may not be sold or transferred to another party without written federal permission.
