### Analysis

This resolution approves an amendment to a contract between Aspiring Youth Enrichment Services and the Metropolitan Government and an amendment to a contract between Global Outreach Developments International and the Metropolitan Government. Both contracts are for the provision of free and high-quality afterschool programs through the Nashville After Zone Alliance (“NAZA”).

On June 21, 2022, the Council adopted Resolution RS2022-1593, which appropriated a total of \$2,544,580.20 from the Nashville Public Library to various non-profit organizations for the provision of free and high-quality afterschool programs through NAZA. This resolution authorized the Metropolitan Government to enter into grant contracts with these non-profit organizations.

As authorized by RS2022-1593, the Metropolitan Government provided a grant of \$159,580 to Aspiring Youth Enrichment Services pursuant to a grant contract. This resolution amends that grant contract to increase the grant amount by \$40,650. These additional funds would be used to add a community-based location serving 30 youth. The new grant total would be \$200,230.

Similarly, the Metropolitan Government provided a grant of \$162,964.80 to Global Outreach Developments International. This resolution also amends that grant contract to increase the grant amount by \$18,725 to support transportation costs to help improve the access and safety of children and youth in afterschool programs. The new grant total would be \$181,689.80.
