

approval of this amendatory ordinance.

Section 3. Be it further enacted, that the uses of this SP shall be limited to 24 multi-family residential units in the amendment area on parcel (097) in addition to the uses previously approved in BL2023-1764. Short-term rental property, owner-occupied and non-owner-occupied, shall be prohibited within the entire SP.

Section 4. Be it further enacted, that the following conditions shall be completed, bonded or satisfied as specifically required:

1. No changes or increase in units are approved to the 9.88-acre site at 253 Nesbitt Lane (parcel 017) as shown on the original SP approval other than those changes shown and/or listed in the SP amendment.
2. All conditions of BL2023-1764 as applicable remain in effect.
3. With the submittal of the final site plan, provide architectural elevations complying with all architectural standards and conceptual elevations outlined on the preliminary SP for review and approval.
4. Comply with all conditions and requirements of Metro reviewing agencies.
5. No master permit/HPR shall be recorded prior to final SP approval.
6. Final plat may be required prior to permitting.
7. The final site plan shall label all internal driveways as "Private Driveways." A note shall be added to the final site plan that the driveways shall be maintained by the Homeowner's Association
8. The final site plan shall depict the required public sidewalks, any required grass strip or frontage zone and the location of all existing and proposed vertical obstructions within the required sidewalk and grass strip or frontage zone. Prior to the issuance of use and occupancy permits, existing vertical obstructions shall be relocated outside of the required sidewalk. Vertical obstructions are only permitted within the required grass strip or frontage zone.
9. The Preliminary SP plan is the site plan and associated documents. If applicable, remove all notes and references that indicate that the site plan is illustrative, conceptual, etc.
10. The requirements of the Metro Fire Marshal's Office for emergency vehicle access and adequate water supply for fire protection must be met prior to the issuance of any building permits.
11. The required corrected copy shall be inclusive for the entire SP and be reflective of all amendments to date.

Section 5. A corrected copy of the Preliminary SP plan, incorporating the conditions of approval by Metro Council, shall be provided to the Planning Department prior to or with final site plan application.

Section 6. Be it further enacted, minor modifications to the preliminary SP plan may be approved by the Planning Commission or its designee based upon final architectural, engineering or site design and actual site conditions. All modifications shall be consistent with the principles and further the objectives of the approved plan. Modifications shall not be permitted, except through an ordinance approved by Metro Council that increase the permitted density or floor area, add uses not otherwise permitted, eliminate specific conditions or requirements contained in the plan as adopted through this enacting ordinance, or add vehicular access points not currently present or approved.

Section 7. Be it further enacted, if a development standard, not including permitted uses, is absent from the SP plan and/or Council approval, the property shall be subject to the standards, regulations and requirements of the MUL-A-NS zoning district as of the date of the applicable request or application. Uses are limited as described in Council ordinance.

Section 8. The Metropolitan Clerk is directed to publish a notice announcing such change in a newspaper of general circulation within five days following final passage.

Section 9. This Ordinance shall take effect upon publication of above said notice announcing such change in a newspaper of general circulation, the welfare of The Metropolitan Government of Nashville and Davidson County requiring it.
