Analysis

This resolution appropriates \$471,694 in American Rescue Plan Act (“ARP”) funds from Fund #30216 to be allocated to the Big Brothers Big Sisters of Middle Tennessee (“BBBSMT”), in partnership with Tennessee State University (“TSU”), to provide mentoring services for first-year college students through an initiative called Big Futures.

Pursuant to the program description attached to the resolution, BBBSMT will partner with TSU to build a system to support college freshmen in understanding how to achieve financial stability/success, advancing career goals, setting a trajectory for academic success/completion, and maintaining/improving mental health. The ARP funds will be used to provide no-cost access to mental health supports and connecting students to financial success professionals. The program will assist an initial cohort of 10 TSU students beginning in Spring 2024 and 10 additional students in Fall 2024. Students in the initial cohort will be financially compensated in exchange for providing feedback on their experience through listening sessions, focus groups, and surveys.

The Big Futures program budget including funding for staff, professional fees including market research, an online learning platform and additional IT expenses, and office expenses.

BBBSMT will be required to report quarterly to the COVID-19 Oversight Committee. The required information includes, but is not limited to, accounting of all grant funds, including identification of grant fund recipients, the use of funds and balance of fund remaining from the original allocation, and program results, including at a minimum the number of student matches, services provided to students, sessions/meetings held, etc.
