Analysis

This ordinance grants the Purchasing Agent the authority to extend the term of contract number 458569 between the Metropolitan Government and Digitech Computer, LLC. The contract was originally awarded through competitive bid for Fire Emergency Medical Services Billing and Collection.

The original contract began on August 29, 2019, with a sixty-month term. Section 4.12.060(A) of the Metropolitan Code limits the term of contracts for services to sixty (60) months, unless otherwise approved by the Metropolitan Council.

The Purchasing Agent recommends this contract be extended for an additional 10 months, for a total term of 70 months.

If this ordinance is approved, the contract term be extended to June 30, 2025. In addition, the contract value would be increased by \$890,000, for a total of \$5,890,000. The amendment further adds language required by Tenn. Code Ann. § 12-4-119 prohibiting the contractor from engaging in a boycott of Israel for the duration of the contract. Exhibit A, the pricing list, would be replaced.

Fiscal Note: This amendment increases the estimated life value of contract 458569 to \$5,890,000 to be paid from Fund 10101, Business Unit 32114210.
